STREET LIGHTS

Any person who notices that a street light is not burning should notify the Selectmen's office, and we will have the light replaced by the power company.

The power company no longer checks the street lights, therefore it has no knowledge that a light is out until it is reported.

INVENTORY OF PERSONAL ESTATE

WINDHAM TOWN DOLLAR

1961

Selectmen's Report — 1961

To the Citizens of Windham:

We are pleased to submit herewith our annual report for the year 1961.

TAXATION

In 1961 the tax rate increased to \$132 per \$1,000 of valuation as compared with a rate of \$124 in 1960. The Selectmen recommended that the \$40,000.00 note for the addition to Field-Allen School and repairs to Newhall School becoming due and payable January 17, 1962, be amortized over a period of five years at the rate of \$8,000.00 per year. However, the Budget Committee recommended, and town meeting voted that the entire amount be paid in 1962. If the recommendation of the Selectmen had been adopted, the tax rate for 1961 would have been \$123, or \$1.00 less than in 1960.

We had a net loss in assessed valuation in 1961 of \$80,260.00, due almost entirely to necessary adjustments in the valuations of industrial properties.

HIGHWAYS

The following roads were built in 1961:

Town Improvement Fund

The entire amount of this fund was spent on the Webb Road, completing same from the end of the improved section southeasterly to the Chute Road. We also transferred funds from the appropriation for Permanent Improvement of Town Roads for this job. The .9 mile of road was completed with the exception of surface treatment.

Permanent Improvement of Town Roads

This appropriation with the exception of the amount transferred to the Webb Road was spent as follows:

Horace Wood Road: .2 mile built and surface treated.

Land of Nod and Lowell Roads: $\frac{3}{4}$ mile built and

surface treated from a point near the residence of Robert H. Bailey on the Land of Nod Road to the Ma Smith Road near the residence of Walter Pulkkinen.

BRIDGES

In 1961, the bridge over Pleasant River on the Falmouth Road was replaced with a sectional galvanized corrugated metal plate arch. This structure has a roadway width of 28 feet between guard rails, and is now completed except the approaches. The town's share of the cost of this job was paid for from the joint State Aid Road Construction fund.

HIGHWAY EQUIPMENT

In May of this year, dump truck No. 10, 1956 Ford, was traded in on a new 1961 International truck. In November, truck No. 11, 1956 Ford, was traded in on a new 1962 International truck. At the time these trucks were traded both were showing a loss on our truck records; the cost of repairs to keep them in operation exceeded their earnings.

Dependable equipment is essential for winter operations such as plowing and sanding roads.

CEMETERIES

The addition to the Smith Cemetery was completed this year. Two hundred and thirty-one lots are available in this new development. Lots will be sold to residents at a nominal cost, and the funds thus received will be placed in a trust fund for perpetual care of the Cemetery. This is in accordance with vote passed under Article 44, annual town meeting of 1953.

At the Arlington Cemetery, the ground for the addition has been cleared and graded and some roads have been built. The work of laying out the lots and drawing plans is partially completed.

Mr. Lott M. Morrell has offered as a gift to the town a piece of land adjoining the northeasterly side of the

Morrell Cemetery, to be used to increase the size of the cemetery.

Respectfully submitted,

HARRY F. ADAMS,
LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
Selectmen of Windham.

Report of Fire Chief

To the Citizens of Windham:

In filing my annual report as Fire Chief, I wish to thank the residents for their support and cooperation in the past year.

Fires in Windham this past year were, as usual, small; the result of human carelessness.

Our home inspection program is still going on and I urge you to take advantage of this service.

The South Windham fire station is still in need of repair. The engineer has advised us to wait and see the results of several tests before we attempt any construction.

I would like your support in the purchase of a new pumper this year. This equipment is necessary to maintain a new insurance rate for the town.

In closing, I wish to thank the three companies and their auxiliaries for the support and fine cooperation which they gave to me in the past year.

WALTER L. PEAVEY,
Fire Chief.

Annual Report of Public Health Nursing Services in Windham For the Year 1961

The general purpose of public health nursing is to help people and the community as a whole toward achieving and maintaining optimal health. Your public health nurse carries out this purpose by giving preventive, therapeutic, and rehabilitative services to individuals and families in their homes, through health services in the schools, and through organized community programs for prevention of illness and promotion of health.

Home visits were made to prenatales, postpartums, infants, pre-school children, school children, crippled children with cardiac and orthopedic involvement, tuberculosis, communicable diseases, adult health supervision, and geriatrics. The public health nurse renders nursing service and health supervision to assist families in planning for continued nursing and medical care.

Monthly child health conferences were held at North Windham fire station. In November, the child health conference moved to the Fellowship Hall at Windham Hill. Both Dr. Robert Burns and Dr. Sidney Branson served as conference physicians.

Total attendance	261
Physical examinations	24
Smallpox vaccination	39
Diphtheria, whooping cough, and tetanus	40
Diphtheria, whooping cough, and tetanus boosters	55
Polio vaccine	55
Polio vaccine boosters	71

Every year, Dr. Sidney Branson, school physician, gives physical examinations to the pupils of the 3rd, 7th, 11th grades and all high school athletes, with the assist-

ance of volunteers from the Windham Health Council. During the year, your public health nurse makes home visits to interpret the physical findings, and assists the families in planning for correction.

In the spring, Dr. Branson, health officer, with the help of Dr. Burns conducted a Town Immunization Clinic.

Total attendance	723
Smallpox vaccination	73
Tetanus	229
Polio, 1st dose	33
Polio, 2nd dose	6
Polio, 3rd dose	28
Polio, 4th dose	130
Polio, 5th dose	470

In November, audiometer testing of teachers' referrals and new admissions were started and will be completed in January. Notices are sent home to parents of pupils revealing a hearing loss, encouraging medical follow-up.

Two adult polio clinics were held in Windham, August and September, at the request of Dr. Branson, health officer.

Total attendance	263
------------------	-----

It is by combined efforts and support of everyone in the community that we can attain a goal for the health
Public Health Nurse.

activities in Windham.

I wish to thank Dr. Branson, Dr. Burns, school personnel, town officials, and the Windham Health Council for their assistance and support of the community health programs.

Respectfully submitted,
BEVERLY D. ALLEN,

Report of Health Officer and School Physician

The health picture in the Town of Windham has been very good in the past year. Communicable diseases were not too widespread. Measles, mumps, and chicken pox appeared in mild epidemic form. We had no polio cases and very little whooping cough because of the thorough immunizing with polio shots and whooping cough vaccine. There were a few cases of scarlet fever and these were mild.

The monthly well baby clinics continue to function well.

Two polio clinics were held last summer—also all school children were offered vaccinations, tetanus, and polio shots last May.

Physical examinations were given to all athletes in high school and junior high school. Also examined were members of senior and freshman classes, seventh and third grade students.

All school children sick or injured on school property were given treatment.

I wish to thank the doctors in this area for their cooperation in public health matters—also, the State Nurse, Mrs. Beverly Allen, Mr. Maxcy, and the members of the Windham Health Council.

Respectfully submitted,

SIDNEY R. BRANSON, M. D.

Report of Planning Board

To the Citizens of Windham:

The Windham Planning Board is closing another very active year.

Its members have visited the three housing developments at North Windham, namely: Brookhaven, Fairview and Northwoods. They find these developments well planned and a great asset to the Town of Windham.

We have spent considerable effort with Milliken-Tomlinson Company of Portland, who have recently purchased a sizable plot of land on Route 302 at North Windham to be developed as a commercial strip. We understand it is to embrace a food liner and a bank with the possibility of other businesses being included.

The Planning Board has been, and still is, in communication with a large industry hoping to interest it in locating in Windham.

We inspected the Sebago Chemical Corporation Plant at Newhall; and, learned how fortunate the Town is to have as progressive and growing an industry located in the former Plastics Material Plant. Their present products are wood flour, "Pilot Lite" (a non-flaring fire starter for cook-outs), "Sebagro" (an agricultural product) and a product used in the fur trade for cleansing furs. They are now carrying on research in the molding of wood flour by pressure and heat for shingles, life preservers and briquettes.

In the spring of 1961, we mailed approximately two hundred letters and brochures to various industrial firms throughout the United States; and, have received several replies.

We assisted two small industries to locate in Windham in 1961.

We were very active and interested in settling Ray-

theon Manufacturing Company in the former C. B. S. Plant.

We took the initiative in arranging meetings between the Selectmen and a Citizens Group from East Windham that they might discuss the road situation in the Highland Lake area. A vote at the previous Town Meeting authorized the Selectmen to maintain and plow the road under a State Statute; but, the money was not appropriated. It was hoped that through the Selectmen and the East Windham Citizens Committee this situation could be resolved; but, at the present writing, it has not been taken care of.

There are many things which the Planning Board hopes to do in the future—assisting in the orderly planning for the Town of Windham, as we anticipate great growth in the next few years. We feel that this can only be made possible by the Town's acceptance of reasonable zoning ordinances and a building code. These would greatly assist the Planning Board in their work in view of the future rise in government costs and taxes. It is our opinion that in order to relieve future increases in the burden of taxation of the townspeople, that these ordinances and this building code should be passed.

We are becoming overrun with home trailers. We should (and are willing to) accept our share of them; but, we are getting an overabundance. This seems to be in view of the fact that it is impossible for them to go in any other town around us and be unrestricted, as they are in Windham. It should be pointed out that many trailers, which arrive in this town, bringing children who must be educated add to the burden of the tax payer in cost of educational school construction, cost of additional teachers and in the general cost of education. The Town of Windham, without some restriction, is going to have an ever increasing burden of taxes to support those things which are restricted in other towns.

Let us, as citizens of the Town of Windham, consider this matter seriously and without prejudice.

The members of the Windham Planning Board are deeply grateful for the unfaltering cooperation of the Selectmen and of Mr. Lloyd Gilman, Mr. Laurence Atkinson, Mr. Frank Forbes, Mr. Lawrence Dyer, Mr. Richard Brume, Mr. Horace P. Maxcy, Mr. Richard Dunn, Mr. Lewis Tremblay and members of the Commercial Department of Windham High School, Windham Citizens Groups, Windham Citizens Committee, Westbrook American Newspaper, Mr. Charles E. Armentrout, Professor of Physics at the University of Maine; Mr. Eugene Martin, Manager of the Area Development Council of Greater Portland.

We found that being a member of the Area Development Council of Greater Portland brought Windham valuable assistance in former years. We strongly recommend that Windham again joins this Council, in 1962.

Respectfully submitted,
J. WILLIS WATKINS, Secretary,
HIRAM A. GRATRICK, Chairman.

Report of Civil Defense

During the past year the Windham Civil Defense and Public Safety organization has been operating much the same as in previous years. Regular weekly meetings are held by the reserve police. At these meetings, discussions and movies on emergency procedures have been the main program.

Test alerts on national, state and county levels have been attended and taken part in by civil defense personnel of Windham. Radiological tests are taken and reports sent to the county control center every Wednesday night via the civil defense radio network by one of our several operators of the communication section. The radiological branch of the organization is being expanded and new equipment will be allotted to Windham as soon as it is received at State headquarters. This equipment will be on a loan basis from State at no expense to the town.

Your director and assistants have attended all county meetings at the new county control center at South Windham once a month. Windham volunteers handle the feeding chores at these meetings and have done a commendable job.

At the present time, a survey is being taken in each town of the State to locate the best possible sites for fallout shelter protection. You will read and hear of the progress being made by these surveys through the newspaper, radio and television outlets. I hope there will be more individuals build their own shelters in the future. Many are already doing so. Plans for the home shelter can be procured from your local director or from the county office at 142 Federal Street, Portland, Maine, upon request.

In an emergency, a control center for the town of Windham will be set up at the North Windham fire

station. This center must be in every town. Communications from the county control center will be received at the Windham control center and necessary action taken where needed. At the present time we do not have an auxiliary power unit to operate radio, heat, lights, or siren should there be a power failure at this point. I have had a request for a suitable unit for this purpose for over two years from the surplus property department of the State. I believe it is time for the town of Windham to appropriate a sum of money to purchase this needed equipment as soon as possible.

Again I would like to repeat that more volunteers are needed for our civil defense and public safety organization. Contact your director or board of selectmen.

Respectfully submitted,

FRANK R. FORBES,

Director.

Report on White Pine Blister Rust Control

Mr. Harry F. Adams
Chairman, Board of Selectmen
Windham, Maine

Dear Mr. Adams:

The following statements are submitted to give you an idea on the status of white pine blister rust control in Windham.

As you know, the blister rust control program is conducted under an agreement between State and Federal agencies whereby technical supervision and financial assistance is given cooperating towns and individuals for whatever control measures are needed.

The disease is controlled by simply eliminating the currant and gooseberry bushes growing in and around selected white pine stands. Effective eradication of these plants also permits areas to restock naturally.

Practical control of the blister rust has been underway in Windham since 1926. Successful results are now evident. Nearly a million currant and gooseberry bushes have been destroyed on control areas amounting to about 23,000 acres which includes about 11,000 acres of white pine. Ninety-six per cent of this acreage is now on a maintenance basis. Maintenance is blister rust terminology indicating that control of the disease has been established and the existing white pine is not threatened with serious losses from blister rust. On such areas only periodic examinations will be needed to insure this condition.

Five hundred and eighty-seven man hours were spent on this project in Windham during the 1961 season. A summary of the reports show: 1,714 acres were mapped

in detail on aerial photographs ; 2,027 acres were surveyed and scouted for crew areas ; 97 acres were intensively worked and about 11,500 currant and gooseberry bushes were destroyed. The job cost \$894.17 (Town of Windham, \$398.93 ; State and Federal agencies, \$495.24 not including cost of supplies and other incidentals).

Our plans for 1962 in Windham include intensive work on 23 acres and giving attention to 3,873 acres which have been on maintenance for ten or more years. We expect State and Federal agencies will again provide funds to at least match blister rust funds appropriated by Windham.

Thanking you for your past cooperation, I am

Very truly yours,

MARTIN G. CALDERARA,

District Leader,

Blister Rust Control.

Report of the Superintendent of Schools

To the Superintending School Committee and Citizens of
Windham:

It is with pleasure that I again submit this report on the progress of the Windham schools.

We, together with all other sections of our state and nation, are faced with serious challenges to our educational program. Perhaps the most pressing of these is the maintaining and improving of our educational standards; keeping a trained and stable teaching staff; lowering the rate of dropouts from our schools; and providing adequate classroom space.

To the first of these we can certainly show progress and accomplishment. Our testing program shows that in all grades the average of our pupils is above the national average. This indicates that good and efficient teaching is taking place in our classrooms. In the recent scholarship tests given to high school seniors in the state, ten per cent of our senior class at Windham High School were awarded High Honors. Our high school was one of the first in the state to become accredited by the State Department of Education and the New England Association of Colleges and Secondary Schools. This accreditation will continue through next year.

Due to the efforts of the town to provide a realistic salary schedule for our teachers and also by helping to make Windham a town in which it is good to teach we have an extremely small turnover in our teaching staff. This speaks well for our schools and the community. Also to be commended is the active participation of our teachers in all efforts to improve our educational program.

Figures alone will answer how well we are keeping our

boys and girls in school. Nationally the dropout rate is well over 30% but for the past year the number of our pupils who have not continued school is less than 10%. This indicates that our school program, because it is broad, meets the needs of students in keeping them in school. It also should be noted that whereas only 16% of Maine boys and girls go on to some form of higher education the average here at Windham is approaching 40%.

On the last problem, that of providing adequate classroom facilities, we must face up to a real need. During the past ten years our school population has practically doubled. Next year we will have over fourteen hundred school pupils and in excess of four hundred will be enrolled at Windham High School. At the present time we are using every bit of available classroom space and next year we must plan on housing at least seventy more pupils. In addition to this we have been informed that because the present high school building is inadequate for the number of pupils enrolled we will be dropped from the list of accredited high schools after one year more. It is imperative that action be taken this year if we are to continue to maintain our high standards of education and keep our program on an equal basis with other communities in this area.

In closing may I take this opportunity to express my thanks to all of you, parents, teachers and friends of boys and girls, who by your continued interest and support are doing so much to maintain a sound and progressive educational program in our town of Windham.

Respectfully submitted,

HORACE P. MAXCY,
Superintendent of Schools.

WINDHAM HIGH SCHOOL

1961 Graduates

Donna Lee Beveridge	Thomas George Mannette
John Harvey Boyden	Donald Marshall Millett
Betty Jean Brooks	William Eugene Minervino
Robert Elliott Brume	Frances E. Morrell
Richard C. Burnham	Caroline Louise Murray

Diana Lee Bushley	Sally Edith Nash
Koreen Ann Chandler	Bruce Allyn Peavey
Janet Shirley Commoss	Francis D. Pendleton
Edward Fred Cressey	Rodney Wayne Pierce
Jason Scott Crommie	Deanna Corinne Pulkkinen
Rendall Lee Cummings	Janice Lee Quimby
Marie Louise Cyr	Edith Lorraine Rich
Dorothy Lillian Durant	Francis Linden Riley
William F. Espeaignette	Dale Alan Roberts
Harry Dale Gilman	Dennis Abijah Rowe
James A. Glantz	Holly Norma Ruel
Claudia Ann Graham	Linda Beth St. Pierre
Janet M. Hansen	Theresa St. Pierre
Virginia M. Hansen	Robert Merrill Southard
Patricia Jean Hayden	Judith Ann Steeves
Carol Angela Hebold	David S. Stover
Joan Ada Ingalls	Raymond L. Swendsen
Patricia Marion Jean	Carole Anne Tait
Alan Sanders Johnson	Robert Leo Tanguay
Etta Marie Knight	Anna Rueline Taylor
Pearl Mae Lamb	Edwin Chester Taylor
Richard D. Lamb	Myrtle E. Verrill
Thomas Joseph Landers	Robert Wallace Webster
Stanley Hayes Libby	Raymond Kenneth Weeks
Jeanette Marie Lucey	Ronald K. Whitney
David Lawrence Manchester	John Gordon Williams
Stephen Tyler Manchester	Cynthia Jane Worthen
Anita Carlene Young	

Honor Parts

Valedictorian	Donna Lee Beveridge
Salutatorian	Cynthia Jane Worthen
First Honor Essayist	Theresa St. Pierre
Second Honor Essayist	Edwin Chester Taylor

WINDHAM SCHOOL BUDGET—1962

Teachers' Salaries

	1961	1962

Auditor's Report

To the Board of Selectmen of the
Town of Windham, Maine

We have examined the balance sheet of the Town of Windham, Maine, as of January 31, 1961, and the statements of operations and unappropriated surplus of the general fund for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of operations and unappropriated surplus present fairly the financial position of the Town of Windham, Maine, at January 31, 1961, and the results of the operations of the general fund for the year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

ERNST & ERNST

Portland, Maine
March 17, 1961

COMMENTS

Town of Windham, Maine

The audited financial statements of the Town and our report thereon are presented in the preceding section. The financial information presented hereinafter and in the following comments was derived from accounting records tested by us as a part of the auditing procedures followed in our examination of the aforementioned financial statements, and in our opinion it is fairly presented in all material respects in relation to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the financial position and results of operations of the Town.

The following comments relate to the audited financial statements and to the scope of our examination:

General Fund

The cash balance as confirmed by the depository bank was reconciled to the amount shown by the Town records at January 31, 1961. The change fund was counted and reconciled to the book balance.

Detailed listings of taxes receivable, tax deeds, tax liens, and accounts receivable as of January 31, 1961, were obtained in support of the balances as shown by Town records. We corresponded with selected debtors and requested that we be notified directly if the reported balances did not agree with their records. Minor differences reported to us were explained satisfactorily. Transactions in taxes receivable, tax deeds, and tax liens during the year were reviewed, and traced to the Town records on a test basis. Tax deeds and tax liens were also inspected on a test basis.

Revenues of the Town during the year were traced from the subsidiary records maintained by the Tax Collector-Treasurer to entries in the Town records on a test basis. We confirmed amounts received from selected

remitting agencies, and traced the reported amount to the records.

Expenditures were supported by examination of vouchers, cancelled checks, and other data on a test basis. Selected payrolls were also test checked.

Debt Fund

Confirmation of notes outstanding at January 31, 1961, was obtained directly from the lending bank. Principal payments were supported by examination of cancelled notes. We tested the computation of interest amounts paid and the totals thereof were traced to appropriation account records.

Changes in the municipal debt of the Town for the year are summarized as follows:

Notes payable at February 1, 1960	\$120,750.00
Note issued for addition to Field-Allen- Newhall School	40,000.00
	<hr/>
	\$160,750.00
Principal payments	28,750.00
	<hr/>

Notes payable at January 31, 1961	\$132,000.00
-----------------------------------	--------------

The future annual requirement for debt maturities is as follows:

Year	Amount
1961	\$ 25,000.00
1962	65,000.00
1963	20,000.00
1964	20,000.00
1965	2,000.00
	<hr/>
	\$132,000.00

Trust Funds

A schedule summarizing the changes in Trust Funds during the year is included hereinafter.

Confirmations of savings deposits at January 31, 1961,

were obtained directly from the depository banks and reconciled to the balances as shown by the records of the Town. Interest income for the year was tested and traced to the records.

Capital Reserve Fund

The cash balance as shown by the records at January 31, 1961, was confirmed directly to us by the depository bank.

Recommendations

In previous examinations we have offered certain recommendations for improvement of the internal control and accounting procedures of the Town. Favorable action has been taken with respect to certain of these recommendations. We feel that the following recommendations are still worthy of consideration:

We again recommend that all monies deposited be reconciled to Treasurer's receipts for the period covered by the deposit.

We again recommend that subsidiary records of taxes secured by tax deeds and tax liens be reconciled monthly to the control accounts.

Acknowledgement

We express our appreciation for the courtesy and co-operation extended to us by the various officials and employees of the Town during the course of our examination.

Town Warrant

State of Maine

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County, GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the twelfth day of March, A. D. 1962, at nine (9) o'clock in the forenoon for the purpose of acting on articles 1 and 2 in the warrant. Polls will open at ten (10) o'clock A. M. and close at seven (7) o'clock P. M.

Immediately following the announcement of the results of the balloting by the Moderator, the meeting will be adjourned until one o'clock in the afternoon of Saturday, March 17th next, at High School Hall in said Town of Windham for the purpose of acting on the several remaining articles in the warrant.

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary town officers.

Art. 3. To see what sum of money the town will vote to raise and appropriate to retire town debt.

Art. 4. To see what sum of money the town will vote to raise and appropriate to pay for general government.

Art. 5. To see what wages the town will vote to pay for the following labor on town roads: common labor and truck drivers; shovel operator; grader, bulldozer and loader operators.

Art. 6. To see what wages the town will vote to pay the Road Commissioner.

Art. 7. To see what wages the town will vote to pay town officers.

Art. 8. To see what sum of money the town will vote to raise and appropriate for repair and upkeep of town roads.

Art. 9. To see what sum of money the town will vote to raise and appropriate for permanent improvement of town roads.

Art. 10. To see what sum of money the town will vote to raise and appropriate for snow removal and ice control on town roads.

Art. 11. To see what sum of money the town will vote to raise and appropriate for repair of bridges and culverts on town roads.

Art. 12. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of snow removal on State Highways 302 and 202.

Art. 13. To see what sum of money the town will vote to raise and appropriate for tarring town roads.

Art. 14. To see what sum of money the town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chapter 23, Revised Statutes of 1954 as amended.

Art. 15. To see what sum of money the town will vote to raise and appropriate for cutting bushes on town roads.

Art. 16. To see what sum of money the town will vote to raise and appropriate for contingent expenses.

Art. 17. To see what sum of money the town will vote to raise and appropriate for health work in the schools and for a clinic for children of pre-school age.

Art. 18. To see what sum of money the town will vote to raise and appropriate for decorating the graves of soldiers and sailors and for Memorial Day exercises.

Art. 19. To see what sum of money the town will vote to raise and appropriate for the support of public libraries.

Art. 20. To see if the town will vote to raise and appropriate the sum of two hundred seventy-five dollars (\$275.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108, of the Revised Statutes of 1954.

Art. 21. To see if the town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to be paid to the Sebago-Long Lakes Region Association to be expended and used for advertising the natural resources, advantages and attractions of the Sebago-Long Lakes region.

Art. 22. To see what sum of money the town will vote to raise and appropriate for the support of the Fire Department.

Art. 23. To see what sum of money the town will vote to raise and appropriate to pay the salary of the Fire Chief.

Art. 24. To see what sum of money the town will vote to raise and appropriate to pay for street lights.

Art. 25. To see what sum of money the town will vote to raise and appropriate to pay for traffic signal lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate to be added to the capital reserve fund created in 1956 for the future purchase of equipment for the Fire Department.

Art. 27. To see what sum of money the town will vote to raise and appropriate to pay hydrant rental.

Art. 28. To see if the town will vote to accept the report of the town officers for the fiscal year of 1960.

Art. 29. To see what sum of money the town will vote to raise and appropriate for care and maintenance of cemeteries.

Art. 30. To see what sum of money the town will vote to raise and appropriate for abatements.

Art. 31. To see what sum of money the town will vote to raise and appropriate to pay interest on loans.

Art. 32. To see if the town will vote to authorize the Selectmen to sell any real estate which has been acquired by virtue of matured tax liens or tax deeds on such terms as the Selectmen deem advisable, and to execute quit-claim deeds to the purchasers thereof.

Art. 33. To see what sum of money the town will vote to raise and appropriate to pay for insurance on town owned property and equipment other than school property.

Art. 34. To see what sum of money the town will vote to raise and appropriate for maintenance of the town dump.

Art. 35. To see what sum of money the town will vote to raise and appropriate for support of town poor.

Art. 36. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Aid to Dependent Children.

Art. 37. To see what sum of money the town will vote to raise and appropriate for Civil Defense and Public Safety.

Art. 38. To see what sum of money the town will vote to raise and appropriate for care of shade trees.

Art. 39. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to cooperate with the Maine Forest Service and Federal Government in control of White Pine Blister Rust, in accordance with Revised Statutes, Chapter 36, Section 69.

Art. 40. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Social Security.

Art. 41. To see what sum of money the town will vote to raise and appropriate to pay for Workmen's Compensation insurance.

Art. 42. To see if the town will vote to fix a date when all poll and personal property taxes shall be due and payable.

Art. 43. To see if the town will vote to fix a date when all real estate taxes shall be due and payable.

Art. 44. To see if the town will vote to fix a rate of interest to be charged on all taxes remaining unpaid after due date.

Art. 45. To see what sum of money the town will vote to raise and appropriate for municipal planning.

Art. 46. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) for the support and maintenance of the Area Development Council of the Greater Portland Chamber of Commerce to promote the industrial development of the town and of the Greater Portland area.

Art. 47. To see if the town will vote to accept as a gift from Lott M. Morrell a parcel of land one hundred seventy-five feet by twenty-five feet, said land to be used for an addition to the northeasterly side of the Morrell Cemetery.

Art. 48. To see if the town will vote to accept as a trust fund from the estate of Elton H. Thompson the sum of one hundred dollars (\$100.00), the income therefrom to be used for the perpetual care of the Elton Thompson lot in Arlington Cemetery, said fund to be known as the Elton H. Thompson fund.

Art. 49. To see if the town will vote to accept as a trust fund from Abbie P. Merrill the sum of two hundred dollars (\$200.00) the income therefrom to be used for the perpetual care of the George H. Hawkes lot in the Smith Cemetery, said fund to be known as the Abbie P. Merrill fund.

Art. 50. To see if the town will vote to accept as a trust fund from Ralph W. Hawkes the sum of two hundred fifty dollars (\$250.00) the income therefrom to be used for the perpetual care of the Ebenezer Hawkes lot in the Smith-Anderson Cemetery, said fund to be known as the Ralph W. Hawkes fund.

Art. 51. To see if the town will vote to authorize the Selectmen to sell, or lease for a period of years, the water reservoir located near the Arlington Cemetery, the amount of land to be sold or leased and the price therefor to be left to the discretion of the Selectmen.

Art. 52. To see if the town will vote to authorize the Selectmen to purchase a front-end loader, and to take sufficient funds not to exceed seven thousand dollars (\$7,000.00) from funds on hand in the equipment account to pay for same.

Art. 53. To see if the town will vote to authorize the Selectmen to install one street light on State Highway No. 302 near the residence of Gerald L. Ellis and to raise and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same.

Art. 54. To see if the town will vote to authorize the Selectmen to install four street lights on the River Road

extending southerly from Pleasant River, and to raise and appropriate the sum of seventy-six dollars and eighty cents (\$76.80) to pay for same.

Art. 55. To see if the town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) for public health nursing in Windham, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 56. To see what sum of money the town will vote to raise and appropriate for tarring school roads.

Art. 57. To see what sum of money the town will vote to raise and appropriate for the following school purposes:

- (a) Administration.
- (b) General maintenance.
- (c) School insurance.
- (d) Hot lunches in the schools.

Art. 58. To see what sum of money the town will vote to raise and appropriate for school repairs and the purchase of new equipment.

Art. 59. To see what sum of money the town will vote to raise and appropriate for vocational education in the schools.

Art. 60. To see if the town will vote to authorize the Superintending School Committee to establish a program of Adult Education and to raise and appropriate the sum of one hundred dollars (\$100.00) for this purpose.

Art. 61. To see if the town will vote to appoint a school building committee consisting of the Selectmen, the School Committee and three persons appointed by them.

Art. 62. To see if the town will vote to have the building committee employ an architect to draw preliminary plans for a new high school and to raise and appro-

priate the sum of seven thousand dollars (\$7,000.00) for this purpose.

Art. 63. To see if the town will vote to authorize the Selectmen to spend the money in the Capital Reserve Fund for the partial payment on a new fire truck for the North Windham Fire Department.

Art. 64. To see if the town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be used in conjunction with the Capital Reserve Fund for the purchase of a new fire truck for the North Windham Fire Department.

Art. 65. To see if the town will vote to set up a committee of five persons appointed by the Selectmen to study the need of a re-valuation of the town and to make their recommendations to the next annual town meeting.

Art. 66. To see what sum of money the town will vote to raise and appropriate for the purpose of starting a property map of the town for the use of the assessors.

Art. 67. To see if the town will vote to rescind the vote taken under article 58 at the 1961 annual town meeting which authorized the Selectmen to use highway equipment to remove snow and maintain the following private roads in the Highland Lake area: Orchard Road, Beach Road, Brook Road, Cottage Road, Pine Drive, Ridge Road and Falmouth Road.

Art. 68. To see if the town will vote to authorize the Selectmen to use its highway equipment on Orchard Road, Beach Road, Brook Road, Cottage Road, Pine Drive, Ridge Road and Falmouth Road. (By petition.)

Art. 69. To see if the town will vote to raise and appropriate the sum of seven hundred dollars (\$700.00) for the purpose of financing the aforementioned Article. (By petition.)

Art. 70. To see if the town will vote to repeal Article

No. 60 as contained in the warrant for the town meeting held in 1958, which article was passed at said 1958 town meeting. (By petition.)

Art. 71. To see if the town will vote to set up the following requirements for the acceptance of roads as town ways:

(a) Right of way to have a minimum width of three (3) rods, except all roads now existing in the town which roads are more commonly called "camp roads."

(b) Travelled or wrought portion of way to have a minimum width of eighteen (18) feet.

(c) Way to be constructed by the petitioners in a manner satisfactory to the Selectmen and the Road Commissioner prior to petition for acceptance, except all roads now existing in the town, which roads are more commonly called "camp roads."

(d) Quality and quantity of base gravel and surface gravel to be approved by the Selectmen and the Road Commissioner except on roads now existing in the town, which roads are more commonly called "camp roads."

(e) Proper drainage facilities and ditches to be installed by the petitioners to the satisfaction of the Selectmen and the Road Commissioner prior to petition for acceptance, except on roads now existing in the town, which roads are more commonly called "camp roads." (By petition.)

Art. 72. Shall the following building code entitled "Building Code for the Town of Windham, Maine" be enacted:

BUILDING CODE FOR THE TOWN OF WINDHAM, MAINE

(a) A building permit must be obtained from the building inspector for all construction over three hundred dollars (\$300.00) in value said permit to cost one dollar, which is to be retained by the building inspector.

(b) Plans, sketches or adequate descriptions of new buildings or additions costing over three hundred dollars (\$300.00) must be submitted to the building inspector.

(c) The building inspector must make sure that proper sanitation be provided for all dwelling structures, complying with all State laws and with attention given to the pollution of any water supply and lakes, ponds and streams.

(d) Any existing overflow of sewage disposal into lakes, ponds and streams must be corrected within a reasonable length of time before pollution causes the closing of these areas for drinking, swimming and other uses.

(e) A permanent type family dwelling shall be defined as one which rests on a foundation of masonry construction extending below frost level, is equipped with non-combustible roofing materials and permanent type siding materials and is connected to an underground sewage disposal system meeting all requirements of any applicable health ordinance or State plumbing code.

(f) Whoever violates any provision of this building code may, upon conviction, be fined not more than twenty dollars (\$20.00) for each offense. Each day that a violation continues beyond seven days after written notification of such offense by the building inspector shall constitute a separate offense.

Art. 73. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the administration of the building code.

Art. 74. Shall the following ordinance entitled "An Ordinance Regulating House Trailers and House Trailer Parks in the Town of Windham, Maine" be enacted:

AN ORDINANCE REGULATING HOUSE TRAILERS
AND HOUSE TRAILER PARKS IN THE TOWN OF
WINDHAM, MAINE

The following specific regulations are hereby required for establishing house trailer parks and the use of house trailers in the Town of Windham:

(a) After passage of this ordinance, house trailers will be restricted to approved trailer parks.

(b) House trailers now on location will be allowed to remain, but if moved, they cannot be reestablished except in approved trailer parks.

(c) No house trailer park shall be established in the Town of Windham unless it meets with the following requirements:

1. Adequate sanitation must be provided complying with all State laws.
2. Location to be approved by the Selectmen and the Planning Board.
3. It shall not become a nuisance to other dwellings.
4. It shall be at least one hundred feet from any highway in the town.

Art. 75. To see if the town will vote to publish in the town report the names of persons receiving direct aid from the town, except persons exempt from such publishing by State law.

Art. 76. To see if the town will vote to authorize the Selectmen to install three street lights on Route No. 115 at North Windham between the property of Richard Brume and the property of Charles W. Varney, and to raise and appropriate the sum of fifty-seven dollars (\$57.00) to pay for same.

Art. 77. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to be expended under the direction of the Selectmen for

the support of the Windham Band.

Art. 78. To see if the town will vote to allow all places of business in the town (except such places of business that are specifically exempted from closing by the provisions of Section 38, Chapter 362, Public Laws of 1961) to keep open to the public on the Lord's Day, Memorial Day, July 4th, November 11th and Thanksgiving Day as proclaimed by the Governor.

Art. 79. To see if the town will vote to authorize the Selectmen and the Treasurer, in behalf of the Inhabitants of the Town of Windham to purchase from Aldano F. DeBoyes a parcel of land situated on Windham Hill containing approximately thirty-one and one-half acres and on which an option has been secured for the sum of two hundred fifty dollars, for a school building site, the total purchase price to be fifteen thousand dollars (\$15,000.00).

Art. 80. To see if the town will vote to authorize the Selectmen and the Treasurer to apply the unexpended balance of the appropriation for an option on a school building lot, in the amount of two hundred fifty dollars (\$250.00) on the purchase price of the land referred to in Article 79.

Art. 81. To see if the town will vote to raise and appropriate the sum of fourteen thousand five hundred dollars (\$14,500.00) to pay for the land referred to in Article 79.

Art. 82. To see if the town will vote to authorize the Selectmen, in behalf of the Inhabitants of the Town of Windham, to obtain an option on the house lot and buildings reserved by Mr. DeBoyes.

Art. 83. To see if the town will vote to authorize the Selectmen and Treasurer to purchase from Glenn Libby, Orville Haskell and Alfred Lorenzen, parcels of land on Windham Hill between the Park Road and the River Road

consisting of approximately thirty-nine (39) acres to be used for school building purposes.

Art. 84. To see if the town will vote to raise and appropriate a sum not to exceed ten thousand dollars (\$10,000.00) to pay for the land referred to in the preceding Article.

Art. 85. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to be used to combat Dutch Elm disease in the town.

The Registrar of Voters will be at his office on March 9th and 10th, 1962, from one o'clock P. M. until five o'clock P. M. for the purpose of correcting and revising the list of voters.

Given under our hands this second day of March, A. D. 1962.

HARRY F. ADAMS,
LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
Selectmen of Windham.

A true copy attest:

HERBERT P. JORGENSEN,
Constable of Windham.

WINDHAM TOWN DOLLAR
1962

Selectmen's Report — 1962

To the Citizens of Windham:

We are pleased to submit herewith our annual report for the year 1962.

TAXATION

1962 saw the tax rate increase from the 1961 rate of \$132 per \$1,000 to \$136.80 per \$1,000.00. Assessed valuation in 1962 showed an increase of \$38,045. This increase in valuation produced a revenue in taxes of \$5,204. At the same time, appropriations increased \$22,126. The increase in appropriations without a corresponding increase in valuations made a higher tax rate mandatory.

The assessors do not set the tax rate. You make your own tax bill when you vote money for appropriations at town meeting.

BRIDGES AND CULVERTS

In 1962, this appropriation was increased by \$2,000 to cover the cost of the new bridge over Black Brook on the Webb Road and for widening the approaches to the bridge. This bridge, a large concrete box culvert type was completed during the year at a cost of \$3,177.00

HIGHWAYS

Using Town and State funds, 2.14 miles of road were constructed in 1962 at a total cost of \$19,820 divided as follows; State, \$6,592; Town, \$13,228.

Roads built were:

Swett and Cartland Roads, west side of U. S. Highway No. 202—.90 miles.

Partridge Road—.79 miles.

Nash Road, east of Falmouth Road—.45 miles.

The Swett and Cartland roads were bituminous surface treated this year. The Partridge and Nash roads should be treated in 1963.

TOWN PROPERTY MAP

The field work on this project was completed during the summer and fall months. The contract calls for completion of the maps by May 15, 1963. These maps should prove to be of great value to property owners as well as for tax assessment purposes.

CEMETERIES

The additions to Arlington and Chase Cemeteries have been mapped, plans drawn, and lots are now available to residents. Applications for lots should be made at the town office.

DUTCH ELM DISEASE

During the year, twenty-one dead and infected elm trees were removed and destroyed by burning at a cost to the town of \$434.00, or about \$20 per tree. We were fortunate in receiving considerable assistance from Central Maine Power Company and New England Telephone and Telegraph Company on trees where power and telephone lines were involved.

The State has a plan whereby towns and cities may receive reimbursement of up to 40% of the cost of removing infected elms if certain requirements of the State are complied with. Since this disease is definitely on the increase in Windham, we should probably enter into such an agreement with the State in 1963.

GENERAL

The entire town debt, \$67,000 was retired in 1962. A new note for \$25,000 has been negotiated as authorized by the special town meeting of November 29, 1962, which

becomes due and payable December 16, 1963. This is a short term loan and interest is at 1.8% per annum.

Respectfully submitted,

LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
HARRY F. ADAMS,

Selectmen of Windham.

Warrant for Special Town Meeting

State of Maine

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County, GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the second (2nd) day of May, A. D. 1962, at nine (9) o'clock in the forenoon for the purpose of acting on articles 1, 2 and 3 in the warrant. Polls will open at ten (10) o'clock A. M. and close at seven (7) o'clock P. M.

Immediately following the announcement of the results of the balloting by the Moderator, the meeting will be adjourned until two (2) o'clock P. M. of Saturday, May 5th next at High School Hall in said Town of Windham for the purpose of acting on the several remaining articles in the warrant.

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to rescind the vote on Article 83 of the 1962 annual town meeting.

(By petition)

Art. 3. To see if the town will vote to rescind the vote on Article 84 of the 1962 annual town meeting.
(By petition)

Art. 4. To see if the town will vote to authorize the Selectmen and Treasurer to purchase from W. Fulton White, Mary P. Carle and Annie V. Badger, land adjacent to Field-Allen school consisting of approximately twenty-five acres to be used for school building purposes.

Art. 5. To see if the town will vote to raise and appropriate a sum not to exceed fifteen thousand dollars (\$15,000) to pay for the land referred to in the preceding article.

Art. 6. To see if the town will vote to rescind the vote under Article 61 of the 1962 annual town meeting, instruct the Committee appointed under said article to terminate its functions immediately and discharge any contractual obligations it may have entered into with architects, engineers or other agents and will further vote to discharge said committee. (By petition)

Art. 7. To see if the town will vote to establish the town's Superintending School Committee as the building committee for the purposes of Article 62 of said 1962 annual town meeting and employ an architect to draw preliminary plans for a new high school to be built on the land described in Article 83 of the said 1962 annual town meeting, utilizing the funds voted by said annual town meeting in Article 62. (By petition)

Art. 8. To see if the town will vote to authorize the Selectmen and Treasurer to purchase from Charles C. LeGrow thirty acres of land situated on the north-westerly side of U. S. Highway No. 202 to be used for school building purposes.

Art. 9. To see if the town will vote to raise and appropriate the sum of fifteen hundred and one dollars

Given under our hands this twenty-fifth day of April,
A. D. 1962.

LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
HARRY F. ADAMS,
Selectmen of Windham.

Article 1. C. Robert Gardner elected moderator.
Art. 2. Yes—712; No—433.
Art. 3. Yes—704; No—430.
Art. 4. Yes—324; No—142.
Art. 5. Appropriated \$15,000.00.
Art. 6. Dismissed.
Art. 7. Dismissed.
Art. 8. Dismissed.
Art. 9. Dismissed.

Warrant for Special Town Meeting

State of Maine

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County, GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the twenty-ninth (29th) day of November, A. D. 1962, at nine-thirty (9:30) o'clock in the forenoon for the purpose of acting on the following articles. Polls will be open at ten (10) o'clock in the forenoon and close at seven (7) o'clock in the afternoon.

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To see if the town will vote to accept the preliminary plans and the cost estimates prepared by the architectural firm of Beal, Depeter and Spaulding for the construction of a new high school and gymnasium building to be erected on the site purchased by the town for said purpose. (On ballot by petition.)

Art. 3. To see if the town will vote to instruct the Superintending School Committee and the Selectmen to submit the necessary applications as required by the Maine School Building Authority to determine if the Town of Windham is eligible for financial assistance from said Authority for the purpose of constructing and equipping the proposed new high school and gymnasium building. (On ballot by petition.)

Art. 4. To see if the town will vote to authorize the Selectmen and the Treasurer to borrow the sum of twenty-five thousand dollars (\$25,000.00) to be paid to the architectural firm of Beal, Depeter and Spaulding upon delivery of the specifications and completed plans for the construction of the proposed high school and gymnasium building, and to authorize the Selectmen and the Treasurer to issue and negotiate the note or notes of the town for the sum borrowed. (On ballot by petition.)

Art. 5. To see if the town will vote to increase the membership of the Superintending School Committee from three to five members as permitted by Chapter 263, Public Laws of 1961, to become effective at the regular municipal election in March, 1963. (On ballot by petition.)

The Registrar of Voters will be at his office on November 26th and 27th, 1962, from one o'clock P. M. until five o'clock P. M. for the purpose of correcting and revising the list of voters.

Given under our hands this sixteenth day of November, A. D. 1962.

LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
HARRY F. ADAMS,
Selectmen of Windham.

**Action Taken at Special Town Meeting of
November 29, 1962**

- Article 1. Walter L. Peavey elected moderator.
Art. 2. Yes—611; No—212.
Art. 3. Yes—623; No—196.
Art. 4. Yes—592; No—216.
Art. 5. Yes—610; No—204.

Report of Fire Chief

To the Citizens of Windham:

In filing my annual report as Fire Chief, I wish to thank the citizens for their support and cooperation in the past year.

The fire loss in Windham last year was rather high due to the bad fire on July 28th at the Sebago Chemical Corp. plant at Newhall.

The result of the insurance survey has not been received as yet. We lost a great deal of points for lack of zoning ordinances, building code, police force and poor water supply in the South Windham area. By placing a pumper in the East Windham station this should bring a good insurance reduction for the citizens within the 3-mile limit of this station.

The South Windham station is still in need of extensive repairs or replacement, in the near future.

I recommend you continue the Capital Reserve Fund

and add \$1,000.00 to its balance.

The new pumper was received and placed in service at the North Windham station on January 24, 1963. The 1947 Buffalo pumper was transferred to the South Windham station and the 1937 Diamond T pumper was transferred to the East Windham station. This should better serve our present needs.

I urge you all to be ever mindful of the hazards of fire and be on the alert to prevent them.

In closing, I wish to thank the three companies and their auxiliaries for the support and fine cooperation which they gave me in the past year.

Respectfully submitted,

WALTER L. PEAVEY,
Fire Chief.

Report of the Fire Truck Committee

To the Citizens of Windham:

After a great deal of research and deliberation, bids were sought for the new fire truck. The bid was awarded to Maxium Motor Co., Middleboro, Mass. The truck was delivered on January 24, 1963, and placed in service at the North Windham station. We feel this truck and its equipment are designed to fit the fire fighting need of the town of Windham.

The members of this committee are pleased with the confidence placed in us by the citizens of Windham and were most happy to have served you.

Respectfully submitted,

WALTER L. PEAVEY,
C. ARTHUR MacDONALD,
RICHARD LIBBY,
SWANTON LOWELL,
GEORGE FARR.

Report of the Public Health Nurse

Public health nursing service in Windham is provided by the Division of Public Health Nursing of the Department of Health and Welfare. The nurse usually spends two days a week carrying out a generalized nursing program to people in their homes, in the schools, and in the community.

Public health nursing service in the schools included participation in:

1. Arrangements for selected screening tests of vision and hearing.
2. Planning and carrying out of school health examinations.
3. Spring registraton of children entering school.
4. Home visits to children with known or suspected health problems.
5. Periodic visits to school personnel.

This year there was a revision in the procedure for selecting children for the school health examination. Many conferences were planned with the teachers to discuss the method of selecting the children. This program has just started, and it is too early to evaluate the effectiveness of this program.

During the summer the public health nurse was asked to participate in the Oral Sabin Program in Windham.

The public health nurse continued to participate in the monthly child health conference program. Any pre-school child may attend this conference for medical supervision. Thirty per cent of the children under five years of age took advantage of this program.

The following number of children were given physical examinations and were immunized:

Physical examinations	47
Smallpox	36
Diphtheria, Whooping Cough	

Public health nursing service to individuals and families in their homes is the unique function of the nurse. What is accomplished in each situation is the important measurement of the public health nurse's contribution to community health. Her specialized knowledge and skill in nursing care of the sick in the home, her skill in observation, and case finding, her wide knowledge of health and welfare resources are available to any family in the town. Some of the home visits in Windham have been made to help with nursing care of the chronically ill, to help with rehabilitation of the handicapped, and to refer families to the appropriate resources for such health problems as heart disease, epilepsy, diabetes, emotional problems, cancer, mental retardation, and crippling conditions. Eleven per cent of the population is under five years of age. During this period of rapid growth and development, the public health nurse can give advice in scientifically sound health practices. Eight per cent of the population is over sixty-five years of age. Many visits are made to people in this age group. With the knowledge that there is a marked increase in chronic illness with advancing age, home nursing care of the sick becomes very important.

The assistance given to the public health nurse by members of the Windham Health Council, town officials, school personnel, and local physicians has been gratefully appreciated. Working together, the goal, better health for the community, can be obtained.

Respectfully submitted,

BEVERLY D. ALLEN,
Public Health Nurse.

Report of Health Officer and School Physician

Many things were accomplished during the past year in the town of Windham in the field of public health.

Oral polio vaccine was given last summer to over four hundred people. A county-wide program will be undertaken this spring and it is hoped that more Windham people will turn out for the vaccine.

Several health nuisances were investigated and corrected including broken sewer pipe in the Newhall area.

Film strips and lectures on the perils of smoking were presented to seventh and eighth grades at the junior high school.

All children sick or injured on school property were given treatment. Pupil insurance proved to be most helpful when X-ray or hospital care was needed.

All students participating in sports were given physical examinations. Also examined, were children with special problems referred to us by the teachers.

Twelve well baby clinics were conducted.

I wish to thank Mrs. Beverly Allen, R.N., the State nurse, the Windham Health Council, and the local physicians for their cooperation.

SIDNEY R. BRANSON, M.D.,

Report of the Planning Board

To the Citizens of Windham:

The activities of the Planning Board during the year of 1962 included the locating of the Shopping Center at North Windham. It was a pleasure to work with the officials of the Milliken Tomlinson Company and the Canal National Bank; and, to participate in the opening ceremonies at Tabor's I.G.A. Store and at the Canal National Bank Branch.

Many things have been accomplished and many plans have been made for the future.

We are presenting a brief résumé of some of the projects under discussion at our meetings, which meetings were attended by the Selectmen and many citizens.

Width of Roads:

Mr. John Hall, Road Commissioner, and Mr. Maurice Rogers spoke to us on the necessity of the "so called" existing camp roads having a right of way minimum of forty feet in width, new roads having a right of way minimum of fifty feet in width; and, all roads meeting the standards specified by the Selectmen and Road Commissioner. The Planning Board completely discussed the East Windham road situation, at this time.

Building Code:

A committee was appointed to study and to formulate a building code for Windham using the National Building Code as a reference.

Comprehensive Planning (701 Plan):

The 701 Plan has been studied, at great length, by the Planning Board in conjunction with Mr. Milliken of the D. E. D., Augusta, Maine, and Mr. Philip Dufour of the James W. Sewall Company, Old Town, Maine. The total cost of the 701 Plan, as quoted by Mr. Dufour, is \$14,100.00, for the entire program. The Federal Government to pay 66⅔%, the State to pay 8⅓%, the Town of Windham to pay 25%, which would be \$3,525.00.

Tax Equalization Plan:

Mr. Robert Patten of Cole-Layer-Trumble Company, Portland, Maine, met with us and discussed the Tax Equalization Plan. It is felt that this program will broaden the tax base of Windham. The cost to the Town would be a total of \$29,000.00 and this amount would be divided into two yearly payments.

Parliamentarian:

It was recommended that an attorney sit in at all regular and special Town Meetings as a Parliamentarian.

James W. Sewall Company of Old Town, Maine:

It was, also, recommended that the above company be employed to execute the 701 Plan, if adopted, for the Town of Windham.

The Planning Board recommended that the following be presented as ordinances at the 1963 Annual Town Meeting. Namely: Width of Roads, Building Code, 701 Plan, Tax Equalization Plan, Attorney as Parliamentarian and the James W. Sewall Company appointment as stated in the preceding paragraphs.

Police Ordinance:

Mr. Richard Brume, Town Constable, spoke on the Police Ordinance; and, a committee was appointed to make a study of this and recommend an ordinance for traffic and parking. A public hearing was held and the above became a Town Ordinance in 1962.

The Planning Board gratefully acknowledges the able assistance rendered by Mr. Roger C. Williams of Creative Associates, Portland, Maine, in making the Windham Planning Board Seminar a success. We were pleased to have as many Planning Boards meet with us at that time.

The Planning Board, also, wishes to express its thanks and appreciation to the Selectmen, Mr. Lloyd Gilman and the many citizens for their valuable aid and cooperation.

Respectfully submitted,
HIRAM A. GRATRICK, Chairman,
J. WILLIS WATKINS, Secretary.

Report On Civil Defense and Public Safety

This is the seventh annual report on Civil Defense and Public Safety submitted to the citizens of Windham by your present Director. In each report there has been a request to you for more volunteers to make this organization stronger and more effective in case of an emergency, either local or national. We are still under-manned in some of the departments and I hope this situation will improve in the coming year.

During the past year we have procured more radiological equipment from the State and instructions in the use of this equipment will be available soon.

Members of the reserve police are using their time on regular meeting nights to improve the condition of the control center at the North Windham fire station. We hope to have an auxiliary generator large enough to handle the electrical equipment at that station installed this year.

This past year there were times when no one knew just when or what would happen on the international level. It is during these times that most people think seriously of fall-out shelters and why they haven't done something about it. These conditions will be with us indefinitely and I believe that it is up to the individual to provide some sort of protection for their families.

Our communications systems are in good shape and except for one two-way radio the equipment is in good condition. If the voters at the annual town meeting approve the article on Civil Defense to raise the recommended appropriation, this piece of equipment will be replaced.

At this time I would like to thank all of the people who have contributed their time and effort toward making this organization more effective.

Respectfully submitted,
FRANK R. FORBES, Director.

Report on White Pine Blister Rust Control

Mr. Lawrence R. Allen
Chairman, Board of Selectmen
Windham, Maine

Dear Mr. Allen:

The following information is submitted to help you keep posted on the status of white pine blister rust control in your town.

Blister rust is a fungus disease which kills white pines of all sizes. It does not spread from pine to pine. Two hosts are needed to complete its life cycle; white pine and all kinds of currant and gooseberry bushes. This cycle is broken and control established when these plants are removed from in and around selected white pine stands.

Blister rust does not stop at ownership or boundary lines, therefore, control of the disease is a cooperative undertaking financed jointly by the Maine Forest Service, towns, individuals and the U. S. Forest Service.

Since the start of control work in Windham, more than a million currant and gooseberry bushes have been destroyed on about 23,000 acres which includes over 11,100 acres of pine. Nearly 96% of this acreage is now on a maintenance basis (disease controlled) and only periodic examinations will be needed to hold the degree of control already established. Another 966 acres are under partial control.

Five hundred and thirty man hours were spent on blister rust control work in Windham during 1962. A summary of the reports show: 1,290 acres were remapped on aerial photographs; 2,625 acres were examined for currant and gooseberry bushes; 43 acres were intensively

worked and about 4,100 of the host plants were destroyed. The job cost \$810.14. (Town of Windham, \$399.56; State and/or Federal agencies, \$420.58 not including cost of chemicals, aerial photos, supplies or other incidentals.)

Our work plans for 1963 in Windham consist of making an inspection of as much as we can of the 3,662 acres scheduled for 1963 which have been on a maintenance basis ten or more years. We expect State and/or Federal agencies will again provide funds that will at least match blister rust funds made available by Windham.

Thanking you for your past cooperation, I am

Sincerely yours,

MARTIN G. CALDERARA,
District Leader, Blister Rust Control.

Report of the Building Inspector

To the Citizens of Windham:

This first year of Building Inspection has been quite successful. One hundred and five permits have been issued. Thirty-four permits for new homes with a valuation of \$270,500.00. Twenty-one new cottages valued at \$21,200.00. Permits for remodeling totaled \$45,300.00. New business establishments, heating installations and trailers amounted to \$119,260.00. Total valuation of new construction \$456,260.00.

Since permits are required for construction or alterations costing \$300.00 or more, your town officials have a better knowledge of new valuation.

The purpose of a building code is to provide for safety, health and public welfare through structural strength and stability, means of egress, adequate light and ventilation and protection to life and property from fire and hazards incident to the design, construction, alteration, removal or demolition of buildings and structures. Since our present building code does not meet all these requirements I would recommend that it be revised to include the abbreviated edition of the National Building Code.

Respectfully submitted,

FREDERICK E. KELLEY,

Building Inspector.

Report of the Superintendent of Schools

To the Superintending School Committee and Citizens of
Windham:

It is with pleasure that I submit this report on the progress of the Windham Schools.

Again this year many of our problems are the result of the growth of our town and the increasing number of pupils in our schools. We can expect to have sixty to eighty more children in our schools when school starts again in the fall of 1963. This will make another room necessary for the fourth grade and also require the addition of another bus for the transportation of pupils. Next year all of the sixth grade will be in the Field-Allen School, and the high school gymnasium will have to be divided for use by classes which have been meeting at the junior high school.

The development of plans for a new high school will make space which will be available in the fall of 1964 and will relieve the present extremely crowded conditions. It is hoped that construction will start in the spring and that the building will be ready to accommodate the nearly five hundred pupils who will be in attendance in the fall of 1964.

The development of libraries in our elementary schools and the improvement and growth of the libraries in the high school and junior high school are achievements of which we should be proud. These are an important factor in a good school program, and continual emphasis should be maintained on their support.

Efforts are continuing in the improvement of the curriculum in our schools. During the past year the majority of our teachers have been taking courses and studying to improve themselves in their work. At the present

time attention is being given to the mathematics program to meet the needs of our pupils in these changing times. A class in science for elementary teachers, sponsored by the National Aeronautics and Space Administration, has been organized and will continue until the close of the school year.

In closing may I express my appreciation to parents, teachers, and citizens who have worked so hard for the welfare of the children and improved education in the town of Windham.

Respectfully submitted,
HORACE P. MAXCY,
Superintendent of Schools.

ADULT EDUCATION PROGRAM

The first classes in Adult Education at Windham High School began on October 22, 1962. A total of 136 students registered in the following courses: Art, Bookkeeping, Drafting and Blueprint Reading, Driver Education, Physical Fitness for Women, Sewing, Typing, and Woodworking. Each course, with the exception of Driver Education, met for two hours each Monday night for twelve weeks. The Driver Education class held three meetings and then met in small groups for actual driving practice.

A second term of Adult Education was begun on February 4th. Registration totaled 75 in the following courses: Advanced Art, Beginning Art, Bookkeeping, Driver Education, Sewing, and Woodworking.

The future of this program rests entirely with the residents of Windham. Any course in which 12 people will pay the registration fee of \$5.00 will be offered. No further appropriation will be needed as the program is self-supporting.

Respectfully submitted,
GEORGE A. RICKER,
Director, Adult Education.

REPORT OF THE SCHOOL LUNCH SUPERVISOR

To Superintendent Horace P. Maxcy and the Superintending School Committee:

I submit the following report of the Windham School Lunch Program.

I feel we have had a very successful year. Participation has been good. From September through December we served 45,938 meals to children, 2,009 free lunches, and 1,886 meals to adults.

A plentiful supply of government foods has been received, making it possible to serve the children excellent hot breads, desserts and main dishes.

Each cafeteria now has an electric milk cooler, trays, good silver and cooking utensils. A new serving bar has been added at the John A. Andrew School cafeteria.

More refrigeration and equipment is a must at the Field-Allen School if more cooking is to be done there. Also, in some of the cafeterias new tables and benches are needed.

At this time I wish to thank Mr. Maxcy and the Board Members for the cooperation I have received from them; also the school lunch personnel, teachers and janitors for the many ways they help me in making our program a good one.

Respectfully submitted,

FLORA B. ALLEN,
School Lunch Supervisor.

Report of Windham Band Activities 1962

To the Citizens of Windham:

We wish to thank the citizens of Windham for their moral and financial support during the past year. We have made twelve public appearances, five concerts and seven parades. We had an average attendance of thirty-two (32).

We have purchased a new parade drum. We had a flag given to us and hope to be able to get a staff for it in the near future. At the time of this report we are rehearsing for our annual minstrel show. The money made from this project will be used towards new uniforms which are badly needed.

Respectfully submitted,

ELIZABETH HARRIMAN,
President, Windham Band.

Auditor's Report

To the Board of Selectmen of the
Town of Windham, Maine

We have examined the balance sheet of the Town of Windham, Maine, as of January 31, 1962, and the statements of operations and unappropriated surplus of the general fund for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of operations and unappropriated surplus present fairly the financial position of the various funds of the Town of Windham, Maine, at January 31, 1962, and the results of the operations of the general fund for the year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

ERNST & ERNST

Portland, Maine
March 22, 1962

COMMENTS

Town of Windham, Maine

The audited financial statements of the Town and our report thereon have been presented in the preceding section. The financial information presented hereinafter and in the following comments was derived from accounting records tested by us as part of the auditing procedures followed in our examination of the aforementioned financial statements, and in our opinion it is fairly presented in all material respects in relation to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the financial position and results of operations of the Town.

Comments with respect to the financial statements and scope of our examination follow:

General Fund

The cash balance, as reported directly to us by the depository bank, was reconciled to the amount shown by the records at January 31, 1962. The change fund was counted and reconciled to the imprest amount.

Uncollected taxes and other receivables at January 31, 1962, were supported by detailed listings. We corresponded with selected debtors, requesting that we be notified directly if the balances as shown by the Town's records did not agree with their records. Minor differences reported to us were explained satisfactorily. We made analyses of changes in taxes receivable during the year and examined documents and accounting records in support thereof. Tax deeds and tax liens were examined on a test basis.

Revenue receipts as shown by the subsidiary records of the Town Clerk and Treasurer-Tax Collector were reviewed and totals thereof were traced, on a test basis, to entries on the general records of the Town. We also obtained directly from selected remitting agencies state-

ments of amounts paid to the Town during the year and traced reported amounts to the records.

Invoices, vouchers, cancelled checks, and other data were examined on a test basis to substantiate recorded expenditures. We made tests of the pay roll by reference to contracts and documents for authorized pay roll deductions and tested the computations of gross and net amounts of individual earnings.

Debt Fund

Confirmation was obtained directly from the lending bank of notes outstanding at January 31, 1962. Cancelled notes were examined in support of principal payments. Computations of interest payments were tested and the amounts thereof were traced to the appropriation account records.

Changes in the municipal debt of the Town for the year are summarized as follows:

Notes payable at February 1, 1961	\$132,000.00
Less—Principal payments	65,000.00

Notes payable at January 31, 1962	\$67,000.00
-----------------------------------	-------------

The future annual requirement for debt maturities is as follows:

Year	Amount
1962	\$25,000.00
1963	20,000.00
1964	20,000.00
1965	2,000.00
	<hr/>
	\$67,000.00

Trust Funds

A schedule summarizing the Trust Funds and the changes therein during the year is included hereinafter.

Cash balances as shown by the records at January 31, 1962, were reconciled to amounts confirmed directly by the depository banks. Interest income for the year was

tested and traced to the records.

Capital Reserve Fund

The cash balance at January 31, 1962, was confirmed directly to us by the depository bank.

Recommendations

We again recommend that all monies deposited be reconciled to Treasurer's receipts for the period covered by the deposit. The cash balance, as reported by the bank, should be reconciled monthly to the general ledger amount.

We again recommend that subsidiary records of taxes secured by tax deeds and tax liens be reconciled monthly to the control accounts.

Acknowledgment

We express our appreciation for the courtesy and cooperation extended to us by the various officials and employees of the Town during the course of our examination.

ERNST & ERNST

Portland, Maine

March 22, 1962

Town Warrant

State of Maine

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County, GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the twenty-fifth day of March, A. D. 1963, at nine (9) o'clock in the forenoon for the purpose of acting on articles 1, 2, and 78 in the warrant. Polls will open at ten (10) o'clock A. M. and close at seven (7) o'clock P. M.

Immediately following the announcement of the results of the balloting by the Moderator, the meeting will be adjourned until nine (9) o'clock in the forenoon of Saturday, March 30th next, at High School Hall in said Town of Windham for the purpose of acting on the several remaining articles in the warrant.

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary town officers.

Art. 3. To see what sum of money the town will vote to raise and appropriate to retire town debt.

Art. 4. To see what sum of money the town will vote to raise and appropriate to pay for general government.

Art. 5. To see what wages the town will vote to pay for the following labor on town roads: common labor and truck drivers; shovel, grader, bulldozer and loader operators.

Art. 6. To see what wages the town will vote to pay the Road Commissioner.

Art. 7. To see what wages the town will vote to pay town officers.

Art. 8. To see what sum of money the town will vote to raise and appropriate for repair and upkeep of town roads.

Art. 9. To see what sum of money the town will vote to raise and appropriate for permanent improvement of town roads.

Art. 10. To see what sum of money the town will vote to raise and appropriate for snow removal and ice control on town roads.

Art. 11. To see what sum of money the town will vote to raise and appropriate for repair of bridges and culverts on town roads.

Art. 12. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of snow removal on State Highways 202 and 302.

Art. 13. To see what sum of money the town will vote to raise and appropriate for tarring town roads.

Art. 14. To see what sum of money the town will vote to raise and appropriate for State aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chapter 23, Revised Statutes of 1954, as amended.

Art. 15. To see what sum of money the town will vote to raise and appropriate for cutting bushes on town roads.

Art. 16. To see what sum of money the town will vote to raise and appropriate for contingent expenses.

Art. 17. To see what sum of money the town will vote to raise and appropriate for health work in the schools and for a clinic for children of pre-school age.

Art. 18. To see what sum of money the town will vote to raise and appropriate for decorating the graves of soldiers and sailors and for Memorial Day exercises.

Art. 19. To see what sum of money the town will vote to raise and appropriate for the support of public libraries.

Art. 20. To see if the town will vote to raise and appropriate the sum of two hundred seventy-five dollars (\$275.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108 of the Revised Statutes of 1954.

Art. 21. To see if the town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to be paid to the Sebago-Long Lakes Region Association to be expended and used for advertising the natural resources, advantages and attractions of the Sebago-Long Lakes region.

Art. 22. To see what sum of money the town will vote to raise and appropriate for the support of the fire department.

Art. 23. To see what sum of money the town will vote to raise and appropriate to pay the salary of the fire chief.

Art. 24. To see what sum of money the town will vote to raise and appropriate to pay for street lights.

Art. 25. To see what sum of money the town will vote to raise and appropriate to pay for traffic signal lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate to be added to the capital reserve fund created in 1956 for the future purchase of equipment for the fire department.

Art. 27. To see what sum of money the town will vote to raise and appropriate to pay hydrant rental.

Art. 28. To see if the town will vote to accept the report of the town officers for the fiscal year of 1961.

Art. 29. To see what sum of money the town will vote to raise and appropriate for care and maintenance of cemeteries.

Art. 30. To see what sum of money the town will vote to raise and appropriate for abatements.

Art. 31. To see what sum of money the town will vote to raise and appropriate to pay interest on loans.

Art. 32. To see if the town will vote to authorize the selectmen to sell any real estate which has been acquired by the town by virtue of matured tax liens or tax deeds on such terms as the selectmen deem advisable, and to execute quitclaim deeds to the purchasers thereof.

Art. 33. To see what sum of money the town will vote to raise and appropriate to pay for insurance on town owned property and equipment other than school property.

Art. 34. To see what sum of money the town will vote to raise and appropriate for maintenance of the town dump.

Art. 35. To see what sum of money the town will vote to raise and appropriate for support of town poor.

Art. 36. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of aid to dependent children.

Art. 37. To see what sum of money the town will vote to raise and appropriate for civil defense and public safety.

Art. 38. To see what sum of money the town will vote to raise and appropriate for care of shade trees.

Art. 39. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to cooperate with the Maine Forest Service and Federal Government in control of white pine blister rust, in accordance with Revised Statutes of 1954, Chapter 36, Section 69.

Art. 40. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Social Security.

Art. 41. To see what sum of money the town will vote to raise and appropriate to pay for Workmen's Compensation insurance.

Art. 42. To see if the town will vote to fix a date when all poll and personal property taxes shall be due and payable.

Art. 43. To see if the town will vote to fix a date when all real estate taxes shall be due and payable.

Art. 44. To see if the town will vote to fix a rate of interest to be charged on all taxes remaining unpaid after due date.

Art. 45. To see what sum of money the town will vote to raise and appropriate for municipal planning.

Art. 46. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) for the support and maintenance of the Area Development Council of the Greater Portland Chamber of Commerce to promote the industrial development of the town and of the Greater Portland area.

Art. 47. To see if the town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) for public health nursing in Windham, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 48. To see if the town will vote to publish in the town report the names of persons receiving direct aid from the town, except persons exempt from such publishing by State law.

Art. 49. To see what sum of money the town will vote to raise and appropriate to combat Dutch Elm disease in the town.

Art. 50. To see if the town will vote to accept as a town way the following described road as laid out by the selectmen: Beginning at a point on the north-easterly corner of Woodville Road as it now exists, said point being six hundred thirty (630) feet northerly from Route 115 and on a line ninety degrees thereto; thence at ninety degrees to the right a distance of eight hundred and twenty (820) feet more or less on a bearing north eighty-eight degrees and fifty-five minutes east to the approximate center of the Sand Bar Road, so called, as it now exists; thence south thirty-seven degrees and thirty minutes east a distance of sixty-seven and seven-tenths (67.7) feet to a point on the south-easterly corner of said proposed extension; thence south eighty-eight degrees and fifty-five minutes west by the southerly side of said Woodville Road extension and fifty feet southerly from the first described line a distance of eight hundred and fifty-nine (859) feet, more or less, to a point on the easterly side line of Woodville Road as it now exists. Meaning to describe a street fifty (50) feet in width.

Art. 51. To see if the town will vote to accept as town ways the following described roads as laid out by the selectmen: Beginning at the easterly side line of

Pine Crest Avenue at the south-westerly corner of lot 13, plan of Brookhaven as recorded in Cumberland County Registry of Deeds in Plan Book 54 at Page 64, thence north 82 degrees, 44 minutes east by the southerly side line of lots 13 and 29 a distance of 240 feet to Woodsmere Avenue, the above described line being the northerly side line of a way fifty feet in width.

Also beginning at the south-easterly corner of lot 29, thence north 7 degrees and 16 minutes east 450 feet to the south-easterly corner of lot 33. The above described line being the westerly side line of a way 50 feet in width and 850 feet in length and known as Woodsmere Avenue, all of which is shown on plan of Brookhaven recorded in Cumberland County Registry of Deeds in Plan Book 55 at Page 52.

Art. 52. To see if the town will vote to accept as a trust fund from Roland Meehan the sum of two hundred fifty dollars (\$250.00) the income therefrom to be used for the perpetual care of lot 2, section 3, Smith Cemetery, said fund to be known as the Roland Meehan fund.

Art. 53. To see if the town will vote to authorize the selectmen to install a street light on Albion Road near its intersection with Vista Drive, and to raise and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same. (By petition.)

Art. 54. To see if the town will vote to raise and appropriate the sum of three hundred thirty-six dollars and twenty cents (\$336.20) to be paid to Allied Engineering Inc., this amount being the balance due them for engineering supervision of the construction in 1960 of the Field-Allen School addition.

Art. 55. To see if the town will vote to authorize the selectmen to enter into a contract with James W. Sewall Company to prepare the 701 comprehensive plan for the future growth of the town, and to raise and ap-

appropriate the sum of three thousand five hundred and twenty-five dollars (\$3,525.00) to pay for same.

Art. 56. To see if the town will vote to authorize the selectmen to enter into a contract with Cole-Layer-Trumble Company to equalize tax valuations in the town for a total contract price of twenty-nine thousand dollars (\$29,000.00) and to raise and appropriate the sum of fourteen thousand five hundred dollars (\$14,500.00) for the initial payment on said contract to be made in 1963.

Art. 57. To see what sum of money the town will vote to raise and appropriate for the maintenance of school roads.

Art. 58. To see what sum of money the town will vote to raise and appropriate for the following school purposes:

- (a) Administration
- (b) General maintenance
- (c) School insurance
- (d) Hot lunches in schools

Art. 59. To see what sum of money the town will vote to raise and appropriate for school repairs and the purchase of new equipment.

Art. 60. To see what sum of money the town will vote to raise and appropriate for vocational education in the schools.

Art. 61. To see if the town will vote to authorize the selectmen to install two street lights on the Falmouth Road, one at the entrance to Pine Drive and one at the entrance to McIntosh Road and to raise and appropriate the sum of thirty-eight dollars and forty cents (\$38.40) to pay for same. (By request.)

Art. 62. To see if the town will vote to authorize the selectmen to install one street light on State Highway 302 near the residence of Howard Crockett and to raise

and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same. (By request.)

Art. 63. To see if the town will vote to authorize the selectmen to install one street light on State Highway 302 near the picnic area and to raise and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same. (By request.)

Art. 64. To see if the town will vote to authorize the selectmen to establish a police force in the town, to purchase a new police cruiser equipped with two-way radio, and to raise and appropriate the sum of twelve thousand nine hundred and ten dollars (\$12,910.00) to pay for salaries, cruiser, equipment, supplies and mileage for private cars. (By request.)

Art. 65. To see if the town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for police protection in the town. (By request.)

Art. 66. To see if the town will vote to authorize the selectmen to install one additional street light on U. S. Highway 202 in the vicinity of the residence of Leroy Pratt and to raise and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same. (By request.)

Art. 67. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the support of the Windham Band.

Art. 68. To see if the town will vote to authorize the selectmen to use its highway equipment on Orchard Road, Beach Road, Brook Road, Cottage Road, Pine Drive, Ridge Road and Falmouth Road. (By petition.)

Art. 69. To see if the town will vote to raise and appropriate the sum of seven hundred dollars (\$700.00) for the purpose of financing the aforementioned article. (By petition.)

Art. 70. Shall the following ordinance entitled "An Ordinance Governing the Acceptance of Roads as Town Ways in the Town of Windham, Maine." be enacted:

AN ORDINANCE GOVERNING THE ACCEPTANCE
OF ROADS AS TOWN WAYS IN THE TOWN OF
WINDHAM, MAINE

- (a) Right of way of private roads in existence at the time of enactment of this ordinance to have a minimum width of forty feet. Forty foot rights of way to be acceptable only if it is not possible or practical to secure fifty foot rights of way, and only if in the judgement of the selectmen and the road commissioner a way convenient and safe for public travel can be maintained within the forty foot width.
- (b) All private roads constructed after enactment of this ordinance shall have a right of way of not less than fifty feet in width.
- (c) Ways to be constructed by the petitioners in a manner satisfactory to the selectmen and the road commissioner prior to petition for acceptance as town ways.
- (d) Traveled or wrought portion of ways to have a minimum width of eighteen feet.
- (e) Quality and quantity of base gravel and surface gravel to be approved by the selectmen and the road commissioner.
- (f) Proper drainage facilities and ditches to be installed by the petitioners to the satisfaction of the selectmen and the road commissioner prior to petition for acceptance as town ways.
- (g) This ordinance to become effective at the time of its enactment.

Art. 71. Shall the following ordinance entitled "Building Code for the Town of Windham, Maine" be

enacted:

BUILDING CODE FOR THE TOWN OF
WINDHAM, MAINE

Section 1. Purpose of Code.

The purpose of this code is to provide for safety, health and public welfare through structural strength and stability and protection to life and property from fire and hazards incident to the design, construction, alteration, removal or demolition of buildings and structures.

Section 2. Permits, Inspections and Fees.

A. No building or structure costing three hundred dollars (\$300.00) or more shall be built, enlarged, altered or moved without a permit from the building official, who may require a plan of the proposed work, together with a statement of the materials to be used.

B. The building official shall inspect all buildings or structures during construction to see that the provisions of law are complied with and that construction is prosecuted safely. Whenever, in his opinion, by reason of defective or illegal work in violation of a provision of this code the continuance of a building operation is contrary to public welfare, he may order all further work to be stopped and may require suspension of work until the condition has been remedied.

C. Fees will be \$2.00 for work costing \$300.00 to \$1,000.00 plus 50 cents per thousand dollars value of construction in excess of the first thousand. All fees to be paid to the building official.

Section 3. New Construction.

A. All new construction shall have permanent type foundations which shall conform to generally accepted good practice, and will include concrete posts set below frost or concrete and masonry foundations set below frost.

B. Pole type buildings will be acceptable for farm or commercial use.

C. Siding materials shall be of permanent type.

D. Every roof placed on a building shall be covered with Class A, B or C roofing materials.

Section 4. Supplementary Requirements.

All matters not covered by this code shall conform to generally accepted good building practice. The 1955 edition of the National Building Code recommended by the National Board of Fire Underwriters shall be deemed good practice.

Section 5. Framing around Chimneys and Fireplaces.

A. All wood beams, joists and studs shall be trimmed away from chimneys and fireplaces. Headers, beams, joists and studs shall be not less than two inches from the outside face of a chimney or from masonry enclosing a flue. Headers supporting trimmer arches at fireplaces shall be not less than twenty inches from the face of the chimney breast. Trimmers shall be not less than six inches from the inside face of the nearest flue lining.

B. No woodwork shall be placed within four inches of the back face of a fireplace; nor shall combustible lathing, furring or plaster grounds be placed against a chimney at any point more than one and one-half inches from the corner of the chimney; but this shall not prevent plastering directly on the masonry or on metal lath and metal furring; nor shall it prevent placing chimneys for low heat appliances entirely on the exterior of a building against the sheathing.

C. The clearance between woodwork and a factory built fireplace approved as a result of tests by a nationally recognized testing laboratory need not comply with paragraph (B) of this section provided the factory built fireplace is installed in accordance with the conditions of approval.

D. All spaces between chimneys and wood joists, beams

or headers shall be firestopped by placing non-combustible material to a depth of one inch at the bottom of such spaces.

Section 6. Plumbing.

The plumbing and drainage system of a building or structure shall be installed to conform with the State plumbing code. This requires a separate permit from the plumbing inspector.

Section 7. Electrical Installations.

All electrical wiring systems shall be installed in accordance with nationally recognized good practice.

Section 8. Building Inspector.

The selectmen or other authorized town official shall appoint the building inspector.

Section 9. Appeals.

A. The Windham Planning Board shall be the Appeal Board. The Appeal Board, after public hearing may:

1. Confirm or, by unanimous vote only, reverse decisions of the Building Inspector.
2. Permit exceptions and variations in specific cases so as to grant reasonable use of property where necessary to avoid unnecessary hardship and without substantially departing from the intent of this ordinance. Granting of such exemptions and variations requires unanimous vote.

Section 10. Penalties.

Whoever violates any provision of this ordinance may upon conviction be fined not more than twenty dollars for each offense. Each day that a violation continues beyond seven days after written notification of such offense by the Building Inspector shall constitute a separate offense.

Section 11. Effective Date.

This building code shall become effective at the time of its enactment by a town meeting and will repeal the Building Code enacted at the annual March, 1962, town meeting.

Art. 72. To see if the town will vote to authorize the selectmen to use its highway equipment on Angler's Road at Pettengill Pond. (By request.)

Art. 73. To see if the town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) for the purpose of financing the aforementioned article. (By request.)

Art. 74. To see if the town will vote to authorize the selectmen to install two street lights on the old Gray and Gorham Road between U. S. Highway 202 and Foster's Corner and to raise and appropriate the sum of thirty-eight dollars and forty cents (\$38.40) to pay for same.

Art. 75. To see if the town will vote to authorize the selectmen to use its highway equipment on private ways within the town in accordance with the provisions of Section 32, Chapter 96, Revised Statutes of Maine.

Art. 76. To see what sum of money the town will vote to raise and appropriate for the purpose of financing the aforementioned article.

Art. 77. To see what sum of money the town will vote to raise and appropriate for the administration of the Building Code.

Art. 78. To see if the town will vote to approve and enter into the proposed Lease Agreement with the Maine School Building Authority, which has been authorized by resolution of the Authority duly adopted on February 8, 1963, and which provides for financing the construction of a new secondary school consisting of seventeen regular classrooms, three science rooms, a commercial studies suite, a library, two shops, a home economics area, a music room, a cafe-study hall, a gymnasium with locker areas, an administrative suite and related areas, located at Windham Center on Route 4, U. S. Highway No. 202,

by the issuance of revenue bonds of the Authority under the provisions of the Maine School Building Authority Act (Chapter 405, Public Laws of 1951, as amended) in the amount of \$1,150,000.00 and, if necessary, in an additional amount not exceeding 10% of such amount, and for the payment by the town of annual rentals sufficient to pay the interest on and the principal of such bonds, or any bonds issued by the Authority to refund such bonds, a pro rata part of the administrative expenses of the Authority and the premiums on insurance, all pursuant to the provisions of the Lease Agreement, and to authorize the execution of such Lease Agreement for and on behalf of the town by its Treasurer. (On secret ballot.)

Art. 79. If the action of the town on article 78 shall be in the affirmative, to see if the town will vote to transfer and convey to the Maine School Building Authority the property referred to in article 78 hereof and to authorize the Treasurer for and in behalf and in the name of the town and under its corporate seal to execute and deliver a warranty deed thereof to the said Authority.

Art. 80. To see if the town will vote to establish a capital reserve fund for the purpose of financing a part of the cost of construction of the Project referred to in the Lease Agreement with the Maine School Building Authority approved this day by the inhabitants of the town, and to appropriate and transfer thereto from the available unencumbered surplus funds of the town the sum of \$19,304.31, to be expended, for said purpose, under written order of the Selectmen as provided by law.

Art. 81. To see if the town will vote to authorize the expenditure of \$19,304.31 from the capital reserve fund heretofore created for the purpose of financing all or a part of the cost of constructing a new secondary school building consisting of seventeen regular classrooms, three science rooms, a commercial studies suite, a library,

two shops, a home economics area, a music room, a cafe-study hall, a gymnasium with locker areas, an administrative suite and related areas, located at Windham Center on Route 4, U. S. Highway No. 202, for the purpose of financing a part of the cost of construction of the Project referred to in the Lease Agreement with the Maine School Building Authority approved this day by the inhabitants of the town, said expenditure to be upon the written order of the Selectmen as provided by law.

Art. 82. To see if the town will vote to establish the Building Committee and the Architect as the official body to be responsible of supervising the construction of the new secondary school building proposed in article 78.

Art. 83. To see if the town will vote to authorize the Selectmen to install three street lights on the Weber Road between the River Road and Highland Cliff Road, and to raise and appropriate the sum of fifty-seven dollars and sixty cents (\$57.60) to pay for same. (By request.)

Art. 84. To see if the town will vote to authorize the Selectmen to install one street light on the Highland Cliff Road near the Advent Christian Church and to raise and appropriate the sum of nineteen dollars and twenty cents (\$19.20) to pay for same. (By request.)

Art. 85. To see if the town will vote to authorize the Selectmen to purchase one 1958 F.W.D. truck equipped with full hydraulic snow plow blade and wing from International Harvester Company, for the sum of three thousand eight hundred fifty dollars (\$3,850.00), said sum to be taken from available funds in the truck account.

The Registrar of Voters will be at his office from nine o'clock A. M. until twelve o'clock A. M. and from one o'clock P. M. until five o'clock P. M. on March 20, 21, 22, and 23, 1963, and from seven o'clock P. M. until nine

o'clock P. M. on March 21, 1963, to accept registrations and revise the list of voters.

Given under our hands this fifteenth day of March, A. D. 1963.

LAWRENCE R. ALLEN,
THOMAS P. BRUNS,
HARRY F. ADAMS,

Selectmen of Windham.

WINDHAM TOWN DOLLAR

1963

Warrant for Special Town Meeting

State of Maine

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County, GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the eleventh (11th) day of January, A.D., 1964 at one thirty (1:30) o'clock in the afternoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Article 2. To see if the town will vote to authorize the Selectmen to transfer the sum of twenty-seven thousand two hundred dollars (\$27,200.00) from surplus to be used as credits to the accounts listed below:

1. General School Maintenance	\$20,000.00
2. Snow and Ice Removal	6,000.00
3. Abatements	1,200.00

Article 3. To see if the town will vote to authorize the Selectmen to make application to the Department of Health, Education and Welfare for a Federal Grant for sewage treatment works at the new secondary school now under construction on U. S. Route 202 at Windham Center.

Article 4. If article 3 receives an affirmative vote, to see if the town will vote to agree that if a Federal Grant for the project is made, pursuant to the Federal Water Pollution Control Act as amended (33 U. S. C. 466 et seq.) that the town will pay the remaining cost of the approved project, and will provide proper and efficient operation and maintenance of the approved project after completion of construction thereof.

Given under our hands this second day of January,
A.D., 1964.

HARRY F. ADAMS
THOMAS P. BRUNS
LAWRENCE R. ALLEN
Selectmen of Windham

A true copy attest:
HERBERT P. JORGENSEN
Constable of Windham

**Action Taken at Special Town Meeting,
January 11, 1964**

- Article 1. J. Willis Watkins elected Moderator.
- Article 2. Passed as read.
- Article 3. Passed as read.
- Article 4. Passed as read.
- Meeting adjourned at 2:38 o'clock P.M.

LAURENCE H. ATKINSON
Town Clerk

Selectmen's Report

To the Citizens of Windham:

The year 1963 just closed has been a rather eventful year for the Town. As the town continues to grow in population, it has become necessary to change some of our methods of operation.

The first step was a series of maps showing all properties in the town, compiled by James W. Sewall Company in 1962-63.

This was followed by a change in our tax accounting system to what is known as the Martell system.

Cole-Layer-Trumble Company is presently conducting a tax equalization program here. At the end of December, 1963, this work was 54% completed and the revised property valuations should be available for use for the 1964 tax assessment.

Work on the new High School is progressing on schedule.

Work has been started on the 701 Plan, which, when completed, will provide a guide for the future orderly growth of the town.

With the exception of bituminous surface treatment, the following roads were built in 1963:

Haskell Road — .45 mile

Anderson Road — .90 mile

Chute Road — .60 mile rebuilt and blind curve improved.

For a description of other activities during the year we refer you to the reports of the various committees, organizations and individuals contained in this report.

Respectfully submitted,

HARRY F. ADAMS

THOMAS P. BRUNS

LAWRENCE R. ALLEN

Selectmen of Windham

Report on White Pine Blister Rust Control

Mr. Harry F. Adams
Chairman, Board of Selectmen
Windham, Maine

Dear Mr. Adams:

The following is a brief report showing the status of white pine blister rust control in Windham, as of 1963.

As you know, blister rust is a fatal disease spread to white pines by spores produced on currant and gooseberry bushes. The key to an effective control program is based on the removal of any such plants growing near enough to cause infection on the pines. Needed control measures are financed jointly with Federal, State and Town funds.

Our maps, partially revised this year, show Windham has over 11,600 acres of forest land with enough white pine growth to justify control measures. To protect this pine, about 23,000 acres have been covered and more than a million currant and gooseberry bushes have been destroyed. With the removal of so many of these plants, control of the disease is pretty well established. There are about 3,500 acres which show no regeneration of currant and gooseberry bushes and on these areas we do not plan any further work. All that is needed on the remaining acreage in the future is to maintain control with occasional examinations.

Such examinations were made on about 4,200 acres in Windham during 1963. Less than 50 acres required intensive crew work; most of the areas looked at contained only scattered bushes and these were taken care of by one or two-man units. About 3,700 currant and gooseberry bushes were destroyed; over 3,000 acres were remapped on aerial photographs. The job cost \$810.99. (Town of Windham, \$398.17; State and Federal agencies, \$412.82).

Work plans for 1964 in Windham consist of giving attention to about 4,000 acres which were last examined during 1951-54. It is expected that State and/or Federal funds will again be available on a matching basis.

Thanking you for your past cooperation, I am,

Sincerely yours,

MARTIN G. CALDERARA

District Leader,

Blister Rust Control

Annual Report of Public Health Nurse

Your public health nurse, a member of the staff of the Division of Public Health Nursing, provided public health nursing service in the town of Windham during 1963.

The public health nurse provided service on a family-centered basis and worked with allied groups in the planning and implementation of community health programs. In all phases of work, emphasis is placed on the prevention of disease, the promotion of health, and rehabilitative measures.

Medical and nursing care will probably be greatly expanded in the next ten years.

During this year there were seventy home visits made to patients and families involving nursing care and rehabilitation nursing. This service included evaluation of the home for adequacy in nursing care, evaluation of rehabilitation prospects, on giving nursing services in the home, instructions to the patient and family to ensure good nursing care. When the function involves treatment or preventive measures, the nurse works under the direction of a physician.

Public health nursing service in the school included participation in:

1. Arrangements for selective hearing tests.
2. Planning and carrying out of school health examinations.
3. Spring registration of children entering school.
4. Home visits with children with known or suspected health problems.
5. Periodic visits to the school personnel.

This year the procedure for school health examinations is in its second year. Many conferences were planned with teachers to discuss the method of selecting. At present it is much too early to evaluate the effectiveness of this program but, there has been a decrease in the number of school children selected for a school health examination. During the summer the public health nurse was asked to participate again in Oral Sabin Polio program in conjunction with the Portland Junior Chamber of Commerce.

The public health nurse continues to participate in the monthly child health conference program. Any pre-

school or infant child may attend this conference for medical supervision. The following number of children were given physical examinations and were immunized:

Total attendance	148
Physical examinations	32
Small pox	38
Diphtheria, whooping cough, tetanus,	56
Polio:	
Completed the second series	19
Third dose	9
Polio boosters	9

The purpose of the child health conference is the physical examination of the well child. The immunization program in the child health conference is a preventive measure.

The assistance given to the public health nurse by members of the Windham Health Council, town officials, school personnel, and local physician, is greatly appreciated. Working together, a goal, better health can be obtained.

Respectfully submitted,

BEVERLY D. ALLEN
Public Health Nurse

Report of the Planning Board

To the Citizens of Windham:

A Town has to grow or go backwards. Windham has demonstrated that its growth is forward, as evidenced by the building during the past two years of over a million dollars of taxable real estate.

701 Plan

At this writing, the 701 Plan surveys are being conducted and are on schedule. Completed surveys include land use, social studies, and traffic patterns. More surveys are scheduled for the coming months.

There will be many meetings between the James W. Sewall Company and the Planning Board for study purposes. It is our intention to have one meeting a month to enlighten the voters of the town regarding the progress of the 701 Plan, and all residents are welcome to these meetings.

The TAX REVALUATION survey is well underway and on schedule.

The Hudson Paper plant has been shown to four different manufacturing prospects. A small building in the rear has been leased for six months with an option on six additional months. The Planning Board met with another company interested in the Plastics Company building for the grinding of feed and bulk handling. No decision has been made.

Two new stores have been added to the North Windham Shopping Center: a pharmacy and a State liquor store. The Hallowell Grain Company moved from Gorham to South Windham this year.

The Planning Board has been in communication with a young man who will graduate from dental school this June and plans to locate on Route 302 in North Windham.

The Planning Board voted to hold seminars in Windham for the purpose of gathering and imparting information in ways best to interest business to locate in Windham and various surrounding towns who are invited to attend.

A member of the Planning Board has been in communication with a well-known electronic company who is interested in the building now occupied by the Raytheon Company. There is a strong possibility that by the time this report is made public, the deal will have been consummated.

The Planning Board recommends that the following be presented as articles at the 1964 Annual Town Meeting. They include: Joining the Area Development Council and the Greater Portland Planning Commission. The

latter would give us a full-time planning engineer for consultative purposes. They have already helped us and we should support them.

The Chairman of the Planning Board was invited to attend a Planning Meeting during February. This was an all-day meeting in Portland, under the direction of the Arthur D. Little, Inc., a Research Group of Cambridge, Mass., who will be making a survey of the Greater Portland area. This survey is for the revaluation of a research project they made 5 years ago. Your chairman formed a committee of some of the invited guests attending the meeting, to become members of a steering committee which will assist in guiding our local seminars for industrial development.

The Planning Board acknowledges with thanks and appreciation the valuable aid and co-operation given to us by the Selectmen, Mr. Lloyd Gilman, and the many citizens who gave their time and enthusiastic help.

Respectfully submitted,

HIRAM A. GRATRIX

Chairman

MARIE T. HOWE

Secretary

Report of Fire Chief

To the Citizens of Windham:

In filing my annual report as Fire Chief, I wish to thank the residents for their support and cooperation in the past year.

The fire loss in Windham this past year was small, however, we are still kept busy with the Chimney, Grass and Auto fires.

The problem of space heaters is as much a hazard in Windham as they are in other towns and cities. I advise all to have them serviced by a well trained serviceman to insure a maximum of safety against loss of life and property.

The South Windham Fire Station is still in bad repair and will need a new Furnace before another winter.

During the year it was necessary to install a new pump on the South Windham Tank Truck and other minor repairs.

I would recommend that you continue the Capital Reserve Fund and add another \$1,000.00 to its balance.

The members of the Windham Fire Dept. mourn the loss of its Alarm Operator, Mrs. Harry Plummer who passed away in July of this year. She was a devoted and dedicated person who served the town for several years.

We are fortunate to have engaged the services of Mrs. Raymond Burke, who is now serving as Alarm Operator.

Don't forget permits are necessary to burn brush, slash other than in a covered incinerator.

I wish to thank the three companies and their auxiliaries for their cooperation which they gave me in this past year.

WALTER L. PEAVEY

Report of Windham Band Boosters' Club

To the Citizens of Windham:

We wish to thank the citizens of Windham for their moral and financial support during the past year. We have had an average attendance of thirty-nine (39). We have made ten public appearances:

Loyalty Day Parade at Westbrook

Maine Dairy Council Parade at Lewiston and
Auburn

Deering Little League Parade at Portland

Memorial Day Parades at Windham Center and
Gorham

A welcome home celebration for John Laura, So. Windham

I.O.O.F. Conclave at Concord, N. H. (The only band from Maine)

Casco Day Parade at Casco

Gray Old Home Day Parade at Gray

American Legion concert held at Windham Center.

We have been known at these various places as the Windham Town Band.

We have hired the new town school music instructor and he is doing a very fine job with the members of the band. We hold our rehearsals at the High School every Tuesday night at 7:30.

At the present time we are rehearsing for our second annual minstrel show.

If you want to hear some good music we invite you to come down to the high school any Tuesday night.

Respectfully submitted,

ELIZABETH B. HARRIMAN

President

Windham Band Boosters Club

Library Committee Report

To the Citizens of Windham:

At the Annual Town Meeting in March, 1963, Article 19 was amended to read: "Voted to have the Town set up a study commission for both libraries and to report their findings at the next Town Meeting. This committee to consist of 1 member of the Budget Committee, 1 member of the Planning Board, 1 member of the School Committee, and 3 members of citizens-at-large. Also to include the librarians from each library and Mrs. Hope Dunn, and 2 trustees. \$1,000 to be raised for this."

The Selectmen appointed Mrs. Edith Elliot, trustee of Windham Center Library, Mrs. Russell Swendsen,

trustee of South Windham Library, Mr. Howard Dyer of the Budget Committee, Marie T. Howe, Planning Board, Mr. Glen Gilman, School Committee, Mrs. Sidney Branson, Mrs. William Taylor, Mrs. John Loura, citizens-at-large, Mrs. Frank Avery, Windham Center librarian, Mrs. Everest Hatch, South Windham Library, Mrs. Hope Dunn, high school librarian.

The first meeting was held June 6th, 1963, at which time Marie T. Howe was elected chairman and Jannette Avery, secretary. A motion was made by Mrs. Branson that the sum of \$200 be given to the South Windham Library, and \$800 to the Windham Center Library. This arrangement was gratefully accepted by the South Windham trustee. The division of money later caused a great deal of criticism by the South Windham Library group, yet at no time was an official protest made. The committee felt that through the years the South Windham Library had received an equal amount of money from the Town of Gorham, plus a small stipend from the State of Maine, and as their 1963 allotment was doubled by both towns, the larger amount should go where it was most needed. It was voted to pay the librarian at Windham Center \$1.50 an hour instead of the 25c per hour currently paid. A committee of four was appointed by the chairman to make a study of each library's needs. This group included Mrs. Hope Dunn, chairman, Mrs. Frank Avery, Mrs. William Taylor, and Mrs. Russell Swendsen who were to report their findings at the October 17th meeting.

This report was an excellent one which I wish could be incorporated in the final report in its entirety; however, space limitations have to be considered. I shall quote some of the findings: "Both library buildings are in need of repair. The Windham Center Library needs painting and a new floor. The South Windham Library needs new roofing. Both libraries badly need more room, and both need plumbing facilities. There is little

possibility of enlarging either building in its present location. Both libraries should open more hours in order to make the books more readily available to the public . . . As a start, the committee recommends that both libraries open for two hours on one evening a week for the benefit of those who are unable to take advantage of the afternoon hours. In order to do this both libraries need to be assured of more Town aid. Using the present expense budgets as a base and allowing for increased bills for heat, light, and librarians' salaries, we have arrived at an estimated figure. We recommend that \$1,500 should be raised for libraries at the next town meeting. \$1,000 should be allotted to the Windham Center Library, \$500 to the South Windham Library. The smaller amount for the South Windham Library is explained by the fact that it regularly receives aid from Gorham as well as Windham.

At the October meeting, a Survey Committee was appointed to consider the possibility of a town public library. The committee included Mrs. Hope Dunn, chairman, Mrs. John Loura, Mrs. Nora Branson, and Mr. Howard Dyer. Again, a full and excellent report was turned in at the Jan. 16, 1964 meeting, and again we must condense its findings: "We agree that, although it seems most improbable that the Town will vote to build a library at this time, some mention of the project should be made in the warrant to plant the idea of a town library in people's minds . . . It was suggested that we ask for a sum of money to start a building fund for a library. This seemed like an excellent way to begin; once you have a concrete fund you may attract gifts and sponsorship by one or more community organizations."

In the meeting with the Planning Board, it felt, as we do, that immediate construction is impossible, but that the need for a library and a plan for future building should be brought to the attention of the voters at the Town Meeting by articles in the warrant, and ap-

proved a plan for asking a sum of money as a capital reserve fund toward building a library and suggested the amount of \$1,000.

The two reports, as well as other data, are available at the Town Office on request.

I am most proud of the work accomplished by the sub-committees who gave so unselfishly much time and consideration to their tasks. We are especially grateful to Miss Virginia Hill, State Deputy Librarian, and Mrs. Mary Dudham, Extension Librarian, who came from Augusta to advise on clearing out old and obsolete books, suggesting new books, and how to organize a card catalogue. Mr. William Herman, Junior High teacher, must also be included in helping on the catalogue.

A report on the expenditures follows.

Respectfully submitted,

MARIE T. HOWE

Chairman

JANNETTE AVERY,

Secretary

Report of Building Inspector

To the Citizens of Windham:

Building inspection is in its second year which has been very successful. One hundred and twenty-seven permits have been issued.

Forty-seven were for new homes with a valuation of \$437,848.00.

Thirteen were for cottages, \$31,940.00.

Remodeling and garages, \$55,400.00.

New business establishments, trailers, foundations and heating systems amounted to \$68,200.

Demolished and moving totaled \$4,600.00.

Total permits issued, \$597,988.00.

Respectfully submitted,

Building Inspector

HAROLD W. HASKELL

Report on Civil Defense

Civil Defense in Windham has followed the same pattern in 1963 as in previous years. We have lost some of our old members and have enlisted the services of new personnel.

We have been very fortunate not to have had any major emergencies in Windham such as fire or floods this past year. During the unusually dry, fall season the Reserve Police did patrol for a short time. This branch of Civil Defense meets weekly and is always anxious to sign up new members.

At the present time your director and one other member are taking a nine-weeks course at the University of Maine at Portland on Civil Defense.

This year as in the past I would like to appeal to the citizens of Windham to join our organization. A small effort now could make a big difference in an emergency.

Respectfully submitted,

FRANK R. FORBES

Director of Civil Defense
and Public Safety

Report of Health Officer and School Physician

Health conditions in the community have been excellent. There were very few nuisances reported in the past year. Also — owners of auto graveyards have been cooperating to a greater extent and obeying the laws.

Mr. Almon O. Moore and Mr. Harold A. Lawrence were appointed plumbing inspector and deputy inspector respectively.

Physical exams were given to all school children participating in organized sports. Exams also were given to all children deemed to have health problems. These were selected for physicals by their teachers. All chil-

dren, sick or injured on school property were given emergency care. All bus drivers had to have physical examinations; also all personnel in the school lunch program. Smallpox vaccinations, tetanus and polio injections were offered to all school children in May.

Oral polio clinics were held for the entire population of Windham. These clinics were well attended. The Windham Jaycees plus the Windham Health Council worked many hours to make the clinics the big success they were.

The citizens of the town should heed well the advise of the Government Commission on smoking and health. All smokers should make a persistent and sincere effort to free themselves of this deadly habit.

I wish to thank Mrs. Beverly Allen — the State Nurse, the Windham Health Council, the Windham Jaycees and the physicians in the area for their help and cooperation during the past year.

Respectfully submitted,

SIDNEY R. BRANSON, M.D.

Report of the Superintendent of Schools

To the Superintending School Committee and Citizens
of the Town of Windham:

It is with sincere pleasure that we submit our first annual report as your superintendent of schools, having taken over this assignment on October 14, 1963. We have enjoyed our work here and have appreciated the kind cooperation of everyone including those not associated with the schools.

This has been an eventful year for the schools of our town. Our new high school is moving toward completion, and it is our hope to have it open in September, 1964. The building committee is meeting weekly, and sometimes more often, to carry out its responsibility to the people. We feel confident that our citizens will be proud of this building and the facilities for learning it will provide.

With the opening of this new school, there will be changes in the use of our other facilities. We expect to use the old high school building for the grades 6, 7, and 8 and to use the Field-Allen School for grades 4 and 5. This will enable us to use Andrew and Arlington Schools for grades 1, 2, and 3. We expect to have one school closed for next year. This will probably be the Newhall School. However, this building should be retained by the school system to care for future growth of the community.

This town is growing in population of children of school age. We refer you to the accompanying charts which indicate this growth in recent years. This is partially caused by an increasing birth rate but also by new homes being erected within our town, particularly in the North Windham section of the community. We will have to keep a close watch on these factors as they involve the future needs of our school system. For that reason we do not favor giving up any school facilities now in existence.

It should be reported to the citizens that our school committee, working in close cooperation with the Board of Selectmen, is reviewing the insurance coverage of our buildings in the community. This is not only for the purpose of checking coverage but to make arrangements for equal amounts to be appropriated annually for this purpose. Equalized payments of premiums will not cost the town more but will make the budget more uniform.

We are working diligently on the improvement of our curriculum and the improvement of teaching with our curriculum. Particular attention is being given to the teaching of the fundamentals, particularly mathematics. In a few weeks we expect to begin a course in the new mathematics for all of our teachers working in that field. From this course should come closer coordination of the work with all teachers becoming familiar with the new approach to the teaching of mathematics.

We also have a course being conducted now under the National Aeronautics and Space Agency covering many of the important and modern fields of science.

Work is being done on the improvement in the teaching of spelling through the introduction of a new program this coming year.

We also are pleased with the development of the school libraries in the various schools and with the teaching going on in the Educational Television Pro-

gram. During this past year, with the assistance of the federal government, we have installed the program in our elementary schools.

We cannot close without a word of appreciation to our fine staff, our assistant Frank Harrison, our cafeteria manager, Mrs. Flora Allen, our custodians, our bus drivers and, of course, our splendid teachers dedicated to the sometimes thankless task of educating our youth. We also thank our school committee for its cooperative efforts in our opening months. They have worked tirelessly in behalf of our people.

Respectfully submitted,

STANLEY W. WRIGHT

Superintendent of Schools

ADULT EDUCATION

Classes in Adult Education have continued this year on Monday evenings. The first semester began on September 30, 1963, with 65 students in the following courses: Art, Bookkeeping, Driver Education, Physical Fitness for Men, and Sewing. A second term began on January 20, but registrations were not complete at the time of writing.

Any course can be given if we have a minimum of twelve registrants. Over half of the courses we have offered have had to be canceled for lack of students. We would welcome suggestions from townspeople.

I hope the facilities of the new high school will be utilized in an expanded adult education program next year.

Respectfully submitted,

GEORGE A. RICKER

Director, Adult Education

CAFETERIA PROGRAM

To Superintendent Stanley W. Wright and Assistant Superintendent Frank H. Harrison and the Superintending School Committee:

I submit the following report of the Windham School Cafeteria Program:

I feel we have had a very good year. Participation has been good. From September through June we served 109,770 meals, 6,195 of which have been free to needy boys and girls.

A new kitchen has been installed at J. A. Andrew School, the total cost being absorbed by the School cafeteria Program. The equipment bought was a 2-door refrigerator, a 10-burner Vulcan gas range, a 2-well sink with 30" drain boards, new wall and base cabinets and a new serving bar and an electric slicer.

At Field-Allen we have installed a 2-deck bake oven, a walk-in refrigerator, and at Arlington School an electric slicer, scales, a serving bar, and a new window, as well as trays, silver, kettles, etc., in all schools.

I wish at this time to say a special thank you to all school cafeteria personnel who have cooperated with me to make this possible and to Superintendent Wright and Assistant Superintendent Harrison who have given me their time and advice in the selection and installation of this equipment. Appreciation is also expressed to the school committee members, the janitors, and the teachers for their cooperation and for the many ways they have helped me to make the Windham School Cafeteria Program a good one.

Respectfully submitted,

Flora B. Allen

Supervisor

Report of the School Building Committee

Citizens of Windham:

On Saturday, February 1, 1964, the School Building Committee met at the school site to view all phases of construction and also to get a progress report from the general contractor. We were assured that the pro-

ject is on schedule and that completion would still be as previously stated. This will allow time for equipping the school prior to the September opening.

At this time we have awarded bids on most of the equipment, specifying delivery no earlier than July 1 and no later than August 1.

The committee has made a few changes that will affect the final cost of the building. As you know, the figure used in the application for the Maine School Building Authority bond issue was, construction cost including grading, etc. — \$852,653. The final contract price of Kibler & Storer was \$820,350. This was a reduction of \$32,303. The engineer and architect estimated ledge removal at between twelve and fifteen thousand dollars. Actual costs of removal were \$37,975. We will realize some credit against this figure when adjustment in concrete has been made but as of today, we have exceeded our bond application construction costs by \$5,672. The committee has also recommended completion of the Home Economics room as well as equipping the Cafeteria kitchen. With the assistance we will receive on N. D. E. A. items it is our sincere desire to equip the school along with completion of the extra work and still stay within our budget. If, however, this cannot be accomplished we will have to use some of the contingency money but only after all other sensible methods of saving have been exhausted.

Constant visitations to the school site by committee members indicates a sincere desire for the general contractor to maintain high quality workmanship and material.

We take this opportunity to thank taxpayers for their interest and support. You are invited to visit the site at any time and also to confer with this committee regarding the new school.

Respectfully submitted,

GLEN GILMAN, Chairman
Windham School Building Committee

Auditor's Report

To the Board of Selectmen of the
Town of Windham, Maine

We have examined the balance sheet of the Town of Windham, Maine as of January 31, 1963, and the statements of operations and unappropriated surplus of the general fund for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of operations and unappropriated surplus present fairly the financial position of the various funds of the Town of Windham, Maine, at January 31, 1963, and the results of the operations of the general fund for the year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

ERNST & ERNST

Portland, Maine
May 6, 1963

COMMENTS

Town of Windham, Maine

The audited financial statements of the Town and our report thereon have been presented in the preceding section. The financial information presented hereinafter and in the following comments was derived from accounting records tested by us as part of the auditing procedures followed in our examination of the aforementioned financial statements, and in our opinion it is fairly presented in all material respects in relation to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the financial position and results of operations of the Town.

Comments with respect to the financial statements and scope of our examination follow:

General Fund

The cash balance, as reported directly to us by the depository bank was reconciled to the amount shown by the records at January 31, 1963. The change fund was counted and reconciled to the imprest balance.

Uncollected taxes and other receivables at January 31, 1963 were supported by detail listings. We corresponded with selected debtors, requesting that we be notified as to any discrepancies between the individual's records and the Town's records. Minor differences reported to us were explained satisfactorily. Changes in taxes receivable during the year were analyzed and accounting records and other evidence were examined in support thereof. Tax deeds and tax liens were examined on a test basis.

Revenue receipts as shown by detail records of the Town Clerk and Treasurer-Tax Collector were reviewed and the totals traced to entries on the general books of account on a test basis. Revenues received from various State of Maine agencies for the year were verified by direct correspondence. Those balances confirmed were

reconciled and traced to the amounts reported in the town records.

An examination was made on a test basis of cancelled checks, invoices and vouchers in support of expenditures recorded on town warrants. A pay roll examination was made based on reference to employee contracts, authorizations as stated in town meeting minutes, and documents for authorized pay roll deductions. Computations of gross and net amounts paid were tested.

Debt Fund

Direct confirmation was obtained from the lending bank of the note outstanding at January 31, 1963. Those notes cancelled during the year were examined in support of principal payments. Interest payment computations were tested and the amounts were traced to the appropriation account records.

Changes in the municipal debt of the town for the year are summarized as follows:

Note payable at February 1, 1962	\$67,000.00
Less principal payments	67,000.00
	<hr/>
	\$ -0-
Add note for architects fees for new High School	25,000.00
	<hr/>
Note payable at January 31, 1963	\$25,000.00
The above note will mature on December 16, 1963.	

Trust Funds

A schedule summarizing the Trust Funds and changes therein during the year is included hereinafter.

Cash balances as shown by the Town records at January 31, 1963 were reconciled to amounts reported directly to us from the depository banks. Interest income for the year was tested and traced to Town records. Savings passbooks on all trusts were examined.

Capital Reserve Fund

The cash balance at January 31, 1963 was confirmed directly to us by the depository bank.

Acknowledgement

We express our appreciation for the courtesy and cooperation extended to us by the various officials and employees of the Town during the course of our examination.

Town Warrant

State of Maine

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham,
in said County,

GREETINGS:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said Town of Windham, qualified by law to vote in town affairs, to assemble at High School Hall in said Town of Windham the twentieth day of March, 1964, at nine o'clock in the forenoon. Polls will open at 10.00 A.M. and remain open until 7.00 P.M. for the purpose of electing all necessary Town Officers according to Article 2 in the Warrant.

Article 1. To choose a Moderator to preside at said meeting.

Art. 2. To elect all necessary Town Officers.

NOTE: Motion should be made at the end of the meeting on March 20, 1964 to adjourn the meeting to Saturday, March 21, 1964, at 1:00 P.M., at High School Hall in said Town of Windham for the purpose of acting on the several remaining Articles in the warrant.

Art. 3. To see what sum of money the town will vote to raise and appropriate to pay for general government.

Art. 4. To see what wages the town will vote to pay for the following labor on town roads: common labor and truck drivers, shovel, grader, bulldozer and loader operators.

Art. 5. To see what wages the town will vote to pay the Road Commissioner.

Art. 6. To see what wages the town will vote to pay Town Officers.

Art. 7. To see what sum of money the town will vote to raise and appropriate for repair and upkeep of town roads.

Art. 8. To see what sum of money the town will vote to raise and appropriate for permanent improvement of town roads.

Art. 9. To see what sum of money the town will vote to raise and appropriate for snow removal and ice control on town roads.

Art. 10. To see what sum of money the town will vote to raise and appropriate for repair of bridges and culverts on town roads.

Art. 11. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of snow removal on State Highways 202 and 302.

Art. 12. To see what sum of money the town will vote to raise and appropriate for tarring town roads.

Art. 13. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chapter 23, Revised Statutes of 1964, as amended.

Art. 14. To see what sum of money the town will vote to raise and appropriate for cutting bushes on town roads.

Art. 15. To see what sum of money the town will vote to raise and appropriate for contingent expenses.

Art. 16. To see what sum of money the town will vote to raise and appropriate for health work in the

schools and for a clinic for children of pre-school age.

Art. 17. To see if the town will vote to accept as town ways the following described roads as laid out by the Selectmen: A certain parcel of land in the Town of Windham, Cumberland County, known as Cottage Road, and more fully described in a plan of Highland Lake Beaches by Wm. E. Winslow and Recorded in Cumberland County Registry of Deeds, Book 19, Page 23, and by a more recent survey of Douglas L. Marston, which is on file at the office of the Town Clerk; bounded and described as follows:

Beginning at a $\frac{3}{4}$ " pipe set in the ground on the easterly side line of Cottage Road; said point also being the northeasterly corner of lot number 187 of the above mention plan of Wm. E. Winslow; thence South 58° -00' West, 156.96 feet to a $\frac{1}{2}$ " steel rod; thence South 34° -02' West, 312.32 feet to a $\frac{3}{4}$ " pipe; thence South 14° 51' West, 401.57 feet to a $\frac{3}{4}$ " pipe; thence South 51° -48' West, 200.73 feet to a spike; thence South 61° -32' East, 319.27 feet to a $\frac{3}{4}$ " pipe; thence South 72° -20' East, 352.63 feet to a $\frac{3}{4}$ " pipe; thence South 47° -50' East, 26.20 feet to a 1" pipe; said also being the intersection of the westerly side line of Pine Drive, so-called, and the easterly side line of said Cottage Road; thence South 47° -50' East, 42.0 feet to a $\frac{1}{2}$ " steel rod; said point also being the intersection of the easterly side line of Pine Drive with the easterly side line of said Cottage Road; thence South 47° -50' East, 107.69 feet to a 1" pipe; thence South 23° -02' East, 101.78 feet to a 1" pipe; thence South 3° -00' West, 255.90 feet to a 1" pipe; thence South 7° -05' East, 184.01 feet to a 1" pipe; thence South 29° -26' East, 205.06 feet to a $\frac{3}{4}$ " pipe; said point also being the intersection of the northerly side line of Ridge Road, so-called, with the easterly side line of said Cottage Road; thence South 29° 36' East, 47.06 feet to a $\frac{3}{4}$ " pipe; said point also being the intersection of the southerly

side line of Ridge Road and the easterly side line of Cottage Road; thence South $20^{\circ}-26'$ East, 151.25 feet to a $\frac{3}{4}"$ pipe; thence South $10^{\circ}-25'$ West, 258.11 feet to a $\frac{1}{2}"$ pipe; thence South $4^{\circ}-55'$ West, 321.93 feet to a 1" pipe; thence South $15^{\circ}-03'$ West, 93.75 feet to a 1" pipe; thence South $2^{\circ}-14'$ East, 68.83 feet to a 1" pipe; thence South $13^{\circ}-22'$ West, 103.5 feet to a $\frac{1}{2}"$ steel rod; thence South $17^{\circ}-27'$ West, 99.57 feet to a $\frac{3}{4}"$ pipe; thence South $2^{\circ}-52'$ West, 338.85 feet to a 1" pipe on the Windham-Falmouth Town line. Said Cottage Road being forty feet in width and the westerly side line being parallel to the above described line and more fully described in the plan by Douglas L. Marston of the Cottage Road-Pine Drive Improvement Association.

Also another parcel or lot of land in the Town of Windham, Cumberland County, being the westerly portion of a road known as Pine Drive and more fully described in a plan of the Highland Lake Beaches by Wm. E. Winslow and recorded in Cumberland County Registry of Deeds Book 19, page 23; and by a more recent survey by Douglas L. Marston for the Cottage Road-Pine Drive Improvement Association which plan is filed with the office of the Town Clerk of the Town of Windham:

bounded and described as follows; to wit:

beginning at a $\frac{1}{2}"$ steel rod set in the ground at a point on the easterly side line of Pine Drive, so-called, said point being the intersection of the easterly side line of Pine Drive with the easterly side line of Cottage Road; said point also being the westerly corner of Lot Number 101 in the above mentioned plan of Wm. E. Winslow; thence North $23^{\circ}-01'$ East on the easterly side line of Pine Drive, 83.87 feet to a 1" pipe; thence North $75^{\circ}-20'$ East, 141.88 feet to a 1" pipe; thence North $68^{\circ}-40'$ East, 121.38 feet to a spike; thence North $31^{\circ}-58'$ East, 99.59 feet to a drill hole in the top of a stone wall; said point also being the intersection

of the easterly side line of Pine Drive with the southerly side line of Falmouth Road, so-called. Said Pine Drive being forty feet in width and the northerly side line of said Pine Drive being parallel to the above described line and more fully described in the plan of the Cottage Road-Pine Drive Improvement Association by Douglas L. Marston and on file at the office of the Town Clerk of the Town of Windham.

Art. 18. To see if the town will vote to accept as a town way the following described road as laid out by the Selectmen: A portion of Falmouth Road as shown on Plan of Highland Lake Beaches, Windham, Maine, dated September 1, 1929 and recorded in Cumberland County Registry of Deeds in Plan Book 19, Page 23 and described as follows:

Beginning at an iron pipe in the southeasterly side line of Pine Drive, said point of beginning being the southerly corner of lot 155 as shown on said Plan and the southerly corner of land now or formerly of Raymond F. Bragdon; thence South $48^{\circ}-57'$ East, a distance of one hundred seventy-four and ten hundredths (174.10) feet to a stone monument; thence South $38^{\circ}-30'$ East, a distance of six hundred forty-four and fifty hundredths (644.50) feet to a stone monument; thence South $56^{\circ}-00'$ East, a distance of one hundred thirty-six and ninety hundredths (136.90) feet to a stone monument: Said way to be forty (40) feet wide and to lie wholly on the south-westerly side of the above described line and being that portion of Falmouth Road extending from Pine Drive to easterly side line of Ridge Road.

Art. 19. To see what sum of money the town will vote to raise and appropriate for decorating the graves of soldiers and sailors and for Memorial Day exercises.

Art. 20. To see what sum of money the town will vote to raise and appropriate for the support of public libraries.

Art. 21. To see if the town will vote to raise and appropriate the sum of two hundred seventy-five dollars (\$275.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 91, Section 108 of the Revised Statutes of 1954.

Art. 22. To see if the town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to be paid to the Sebago-Long Lakes Region Association to be expended and used for advertising the natural resources, advantages and attractions of the Sebago-Long Lakes Region.

Art. 23. To see what sum of money the town will vote to raise and appropriate for the support of the Fire Department.

Art. 24. To see what sum of money the town will vote to raise and appropriate to pay the salary of the Fire Chief.

Art. 25. To see what sum of money the town will vote to raise and appropriate to pay for street lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate to pay for traffic signal lights.

Art. 27. To see what sum of money the town will vote to raise and appropriate to be added to the Capital Reserve Fund for the future purchase of equipment for the fire department.

Art. 28. To see what sum of money the town will vote to raise and appropriate to pay hydrant rental.

Art. 29. To see if the town will vote to accept the report of the town officers for the fiscal year of 1962.

Art. 30. To see what sum of money the town will vote to raise and appropriate for care and maintenance of cemeteries.

Art. 31. To see what sum of money the town will vote to raise and appropriate to pay for insurance on town owned property and equipment other than school property.

Art. 32. To see if the town will vote to accept as town ways the following roads as laid out by the Selectmen:

Sylvan Avenue: Beginning at a point of intersection of the northerly side line of Brookhaven Drive and the center line of Sylvan Avenue as shown on plan of Brookhaven, Section 3, recorded in Cumberland County Registry of Deeds in Plan Book 66, at Page 38; thence North 7° -16' West a distance of six hundred (600) feet to a point. Said way to be fifty feet in width and to lie equally on each side of the above described line.

Woodsmere Avenue: Beginning at a point in the northerly terminus of the center line of Woodsmere Avenue as laid out and accepted by the Town of Windham on March 30, 1963; thence North 7° -16' West a distance of two hundred (200) feet to a point. Said way to be fifty feet in width and to lie equally on each side of the above described line.

Brookhaven Drive: Beginning at a point in the easterly terminus of the center line of Brookhaven Drive as laid out and accepted by the Town of Windham on March 30, 1963; thence North 82° -44' East a distance of three hundred forty-five and eighty-two hundredths (345.82) feet to an angle; thence North 56° -30' East a distance of one hundred five and eighty-two hundredths (105.82) feet to a point. Said way to be fifty feet in width and to lie equally on each side of the above described line.

Art. 33. To see if the town will authorize the selectmen in behalf of the inhabitants of the town to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute quitclaim deeds for such property.

Art. 34. To see what sum of money the town will vote to raise and appropriate for maintenance of the town dump.

Art. 35. To see what sum of money the town will vote to raise and appropriate for repairs to Newhall bridge.

Art. 36. To see what sum of money the town will vote to raise and appropriate for support of town poor.

Art. 37. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Aid to Dependent Children.

Art. 38. To see what sum of money the town will vote to raise and appropriate for civil defense and public safety.

Art. 39. To see what sum of money the town will vote to raise and appropriate for care of shade trees.

Art. 40. To see what sum of money the town will vote to raise and appropriate to combat Dutch Elm disease in the town.

Art. 41. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) to coöperate with the Maine Forest Service and Federal Government in control of white pine blister rust, in accordance with Revised Statutes of 1954, Chapter 36, Section 69.

Art. 42. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Social Security.

Art. 43. To see what sum of money the town will vote to raise and appropriate to pay for Workmen's Compensation insurance.

Art. 44. To see if the town will vote to fix a date when all poll and personal property taxes shall be due and payable.

Art. 45. To see if the town will vote to fix a date when all real estate taxes shall be due and payable.

Art. 46. To see if the town will vote to fix a rate of interest to be charged on all taxes remaining unpaid after due date.

Art. 47. To see if the town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) for public health nursing in Windham, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

Art. 48. To see if the town will vote to publish in the town report the names of persons receiving direct aid from the town, except persons exempt from such publishing by State law.

Art. 49. To see if the town will vote to raise and appropriate the sum of fourteen thousand five hundred dollars (\$14,500.00) to pay Cole-Layer-Trumble Company the second and final installment on the contract entered into with said Company in 1963 for a revaluation of the town.

Art. 50. To see if the town will vote to accept as a trust fund from Llewellyn W. Batchelder the sum of two hundred and fifty dollars (\$250.00) the income therefrom to be used for the perpetual care of his lot in Arlington Cemetery.

Art. 51. To see if the town will vote to accept as a trust fund from Llewellyn W. Batchelder the sum of two hundred fifty dollars (\$250.00) the income there-

from to be used for the perpetual care of his lot in Mayberry Cemetery.

Art. 52. To see if the town will vote to accept as a trust fund from Luella L. H. Rines the sum of two hundred fifty dollars (\$250.00) the income therefrom to be used for the perpetual care of the Thomas Allen lot in Smith Cemetery.

Art. 53. To see what sum of money the town will vote to raise and appropriate for police protection.

Art. 54. To see what sum of money the town will vote to raise and appropriate for the support of the Windham Band.

Art. 55. To see if the town will vote to authorize the Selectmen, in behalf of the town, to purchase from Don P. Proctor for the use of Arlington school, a parcel of land adjoining the southerly side of the Arlington school lot, containing approximately $3\frac{3}{4}$ acres, and to raise and appropriate the sum of five thousand dollars (\$5,000.00) to pay for same.

Art. 56. To see if the town will vote to authorize the Selectmen and the School Department to discontinue the practice of listing all expenditures in detail in the town report, and to summarize expenditures in a more compact form.

Art. 57. To see what sum of money the town will vote to raise and appropriate for the maintenance of school roads.

Art. 58. To see what sum of money the town will vote to raise and appropriate for the following school purposes:

- (a) Administration
- (b) General maintenance
- (c) School insurance
- (d) Hot lunches in schools.

Art. 59. To see what sum of money the town will vote to raise and appropriate for school repairs and the purchase of new equipment.

Art. 60. To see what sum of money the town will vote to raise and appropriate for vocational education in the schools.

Art. 61. To see what sum of money the town will vote to raise and appropriate for snow removal on private roads.

Art. 62. To see what sum of money the town will vote to raise and appropriate for the administration of the Building Code.

Art. 63. To see if the town will vote to authorize the Selectmen to install ten street lights on the River Road between the Page Road and State Highway No. 302, and to raise and appropriate the sum of two hundred ninety-two dollars (\$292.00) to pay for same. (by request.)

Art. 64. To see if the town will vote to authorize the Selectmen to install five street lights at Brookhaven and to raise and appropriate the sum of one hundred forty-six dollars (\$146.00) to pay for same. (by request)

Art. 65. To see if the town will vote to authorize the Selectmen to install two street lights on Albion Road near Swan Road and Hilltop Road, and to raise and appropriate the sum of fifty-eight dollars and forty cents (\$58.40) to pay for same. (by request)

Art. 66. To see if the town will vote to authorize the Selectmen to install four street lights on State Highway No. 302 at North Windham between the residences of Harry K. Libby and Allston Burtchell, and to raise and appropriate the sum of one hundred sixteen dollars and eighty cents (\$116.80) to pay for same. (by request.)

Art. 67. To see what sum of money the town will vote to raise and appropriate for abatements.

Art. 68. To see what sum of money the town will vote to raise and appropriate for municipal planning.

Art. 69. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) for the support and maintenance of the Area Development Council of the Greater Portland Chamber of Commerce to promote the industrial development of the town and of the Greater Portland area.

Art. 70. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) for the support and maintenance of the Greater Portland Planning Commission.

Art. 71. Shall the following changes be made in the ordinance entitled "Building Code for the Town of Windham, Maine" which was enacted March 30, 1963:

APPEALS.

Section 9, Paragraph A. First sentence changed to read:

The Appeal Board shall consist of five members and two alternate members to be appointed by the Selectmen, terms of the regular members to be for 1, 2, 3, 4 and 5 years, and the alternate members to be appointed for five year terms.

Paragraph 1 changed to read: Confirm, or by majority vote of the Board only, reverse decisions of the Building Inspector.

Paragraph 2 changed to read: Permit exceptions and variations in specific cases so as to grant reasonable use of property where necessary to avoid unnecessary hardship and without substantially departing from the intent of this ordinance. Grant-

ing of such exemptions and variations requires a majority vote of the Board.

Art. 72. To see if the town will vote to raise and appropriate the sum of one hundred thousand nine hundred dollars (\$100,900.00) to be paid to Maine School Building Authority in accordance with the terms of the lease agreement approved by the town in 1963 for the construction of a new secondary school. This payment to cover the following: principal \$57,500.00; interest \$41,400.00; insurance \$2,000.00.

Art. 73. To see what sum of money the town will vote to raise and appropriate to create a capital reserve fund for a town library.

Art. 74. To see if the town will vote to raise and appropriate the sum of three thousand five hundred dollars (\$3,500.00) to be used for connecting Field-Allen school to the new high school sewage system.

Art. 75. To see if the town will vote to accept the street signs already purchased and installed by the Windham Junior Chamber of Commerce.

Art. 76. To see what sum of money the town will vote to raise and appropriate to maintain and repair street signs marking streets and roads in the town of Windham.

Art. 77. To see if the town will vote to raise and appropriate the sum of twenty-five hundred dollars (\$2,500.00) to provide a supervised summer physical education and recreation program for Windham children ages 5 to 18. This program would be held Monday through Friday for a ten (10) week period at Field-Allen playground during the summer of 1964.

Art. 78. To see if the town will vote to appoint an organizing committee consisting of the Chairman of the Superintending School Committee, to serve as tem-

porary chairman, the President of the Parents'-Teachers' Association, the President of the Parents' Forum, and two persons chosen by them to carry out the provisions of the preceding article. Said committee to meet within thirty (30) days and to serve until the next regular town meeting.

Art. 79. To see if the town will vote to authorize the Selectmen to install three street lights on the old Gray and Gorham road between Foster's Corner and the residence of Percy Hawkes, and to raise and appropriate the sum of eighty-seven dollars and sixty cents (\$87.60) to pay for same. (By petition)

Art. 80. To see if the town will vote to authorize the Selectmen to enter into negotiations with the State Highway Commission to determine the feasibility of rebuilding that section of State Highway No. 302 beginning near Arlington Cemetery and extending north-erly to the section recently built, to provide sidewalks and curb stone as well as catch basins and conduit, said construction to include portions of Routes No. 115 and No. 35 to the extent of providing drainage of water and safety for pedestrians, and to determine what State and Federal funds are available and also the town's share in the project. (By request.)

The Registrar of Voters will be at his office from nine o'clock A.M. until twelve o'clock A.M. and from one o'clock P.M. until five o'clock P.M. on March 12, 13, 16 and 17, 1964, and from seven o'clock P.M. until nine o'clock P.M. on March 17, 1964, to accept registrations and revise the list of voters.

Given under our hands this twelfth day of March, A.D., 1964.

WINDHAM TOWN DOLLAR

1964

Selectmen's Report

To the Citizens of Windham:

The tax equalization program carried out by Cole-Layer-Trumble Company was completed in time for the new figures to be used in computing the 1964 taxes.

1964 valuations totaled \$25,501,005.00, which produced a tax rate of \$25.60 per \$1,000.00.

Based on 1963 valuations, if the town had not been revalued, 1964 appropriations would have required a rate of \$181.00 per \$1,000.00.

1964 assessed valuations represent 100% of sound present day values as determined by the appraisers. Approximately four hundred requests were made by taxpayers for review of their properties, and most of these were settled in a satisfactory manner.

The following roads were built or reconstructed during the year using the appropriation for Permanent Improvement of Town Roads and the Town Road Improvement fund allotted by the State:

Weber Road, 3,000 ft. rebuilt and surface treated.

Highland Cliff Road, 1,600 ft. rebuilt and surface treated.

Depot Street, 1,000 ft. rebuilt and surface treated.

Finley Road, 500 ft. built.

Montgomery Road, 5,000 ft. built.

A small amount of work remains to be done to complete the Montgomery Road.

Necessary repairs to the easterly abutment of Newhall Bridge were made. The bridge over Pleasant River on the William Knight road is in poor condition, and repairs in 1965 should be considered as a must.

In accordance with the vote under Article 80, 1964 "annual town meeting, we met with representatives of the State Highway Commission and discussed the highway situation at North Windham relative to the traffic congestion and the possibility of rebuilding this section

of State Highway No. 302 at its intersection with Routes 35 and 115. The report of the Commission appears on another page in this report.

Respectfully submitted,

HARRY F. ADAMS

LAWRENCE R. ALLEN

THOMAS P. BRUNS

Selectmen of Windham

Report of the Planning Board

To the Citizens of Windham:

A rapidly growing community such as Windham needs some form of plan to guide and direct its growth. In the absence of planning, growth is disorderly and municipal functioning becomes inefficient and expensive. Eventually this will be reflected in mounting taxes.

To provide Windham with a plan for the future, the main 1964 efforts of the Planning Board have centered around work with the James W. Sewall Company in the development of our "Windham Comprehensive Plan." The completed survey and plan, which have been financed in part by federal funds under the "701 Act," have been presented to and approved by the Selectmen. A public hearing is scheduled for March first.

A part of the implementation of a Comprehensive Plan is a zoning ordinance. Such an ordinance has been worked out in tentative form and will be adjusted by and discussed with the people in a series of meetings to be held in the various districts of the town during the spring. Following a final general public hearing, the ordinance will be brought to a vote in a special town meeting planned for early summer.

A highlight of the year was cooperation with the Greater Portland Area Development Council that finally resulted in the sale of the unused Hudson Pulp and Paper building to the Rich Tool and Die Company. This

should provide a welcome addition to our tax structure and help provide Windham with much needed industry.

In order to acquire and encourage economic growth, a plan for a Windham Economic Development Commission has been worked out and two articles have been inserted in the 1965 Warrant and approved by the Budget Committee and the Selectmen.

Citizen interest in the various forms of municipal government which might be utilized by Windham resulted in the Planning Board sponsoring a public meeting for free discussion of the subject.

The growing problem of adequate street lighting was surveyed and accordingly an article has been inserted in the Warrant.

Throughout the year the Windham Planning Board has worked closely with the Greater Portland Regional Planning Commission and the Greater Portland Area Development Council. The Greater Portland Chamber of Commerce elected Jack Clark as a director of the Development Council.

Two events during the year have caused deep regret to the Planning Board and to the Town as a whole. Last spring Marie Howe, our respected secretary, passed away and in the early fall our Chairman, Hiram Gratrix, an organizer and staunch supporter of municipal planning, was forced to resign for reasons of health.

We wish to express our thanks to the many town officials, interested citizens, and civic organizations who are all helping to plan for the future of a dynamically growing Windham.

Report of Fire Chief

To the Citizens of Windham:

In filing my annual report as Fire Chief I wish to thank the inhabitants for their support and cooperation this past year.

The problems of your fire department are becoming larger with the growth of the town. More calls are being answered each year. To keep pace with these new demands, a variety of training programs were held. New methods of fire fighting have been adopted from these sessions. Instructions were provided by the State Department of Education at no cost to the town.

The 1939 G.M.C. tank truck located at the North Windham station was taken out of service last June and was sold to the Casco Firemen's Association for \$300.00.

A 1956 Chevrolet two ton chassis was purchased through surplus property, Civil Defense account for \$75.00. We are in hopes to build this into a replacement tank truck this coming year.

I would recommend an ordinance to control the installation and use of oil burning equipment, also the appointment of an electrical inspector to cut down the hazards that now exist in your town.

The South Windham station is still in need of repairs or replacement. Please give this your consideration at the March town meeting.

Several members of the North Windham Company have purchased their own protective clothing to insure a maximum of safety.

In closing I wish to thank the members of the Department and the ladies' auxiliaries for their support and cooperation.

WALTER L. PEAVEY
Fire Chief

MAINE STATE HIGHWAY COMMISSION

January 13, 1965

Board of Selectmen
Town of Windham
RFD No. 1
South Windham, Maine
Attention: Mr. Harry F. Adams, Chairman

Gentlemen:

Your letter of January 5, 1965 to the State Highway Commission, Attention of Mr. Brackett, has been forwarded to this office for reply.

On November 17, 1964, when Mr. Brackett discussed the possibility of a project in North Windham with you, it appeared that there was every possibility that such a project could be done during the next biennium. However, it soon became apparent that further information was needed and rather than attempt a wild guess as to the extent of such work, two items were included in the program for studies. These were as follows:

Item 1. U. S. 302. \$25,000. Federal-Primary Project for Preliminary Engineering and acquisition of Right-of-Way for a section 2.0 miles in length beginning 1.3 miles south of the junction of Routes 115 and 35 and extending northerly. 1966 Fiscal Year.

Item 2. U. S. 302-115-35. \$5,000. State Project for Preliminary Engineering on the intersection area. 1967 Fiscal Year.

If you will refer to my letter of November 13, 1964 to Mr. Lawrence R. Allen, Selectman, you will note that the State Highway Commission did discuss the vote taken in the March 1964 Town Meeting and later did seriously consider the incorporation of a construction project in this program, especially in view of the offer of the Selectmen to raise, subject to approval of the voters, four units of State Aid for 1965-66, or a total of

\$12,792 Town funds plus \$12,792 State funds, plus the 20% State bonus or a total of \$30,700, as a contribution towards the cost of the project. For reasons given above the construction was deferred in favor of the two items as listed.

It is the State Highway Commission's plan to acquire the necessary information to come up with a proposal which will be acceptable for the orderly development of the highway system in North Windham. With the completion of plans and the execution of an agreement with the Town following a public hearing, we will then be in a position to incorporate a firm proposal in the program for the following biennium (beginning July 1, 1967) providing financing is available.

It is hoped that after an acceptable plan is produced a financing plan similar to that outlined on November 17, 1964 can be worked out. It is assumed that this could take place in the 1967 Annual Town Meeting.

Thank you for your cooperation.

Yours very truly,

VAUGHAN M. DAGGETT

Chief Engineer

VMD:gl

cc: Merton F. Brackett, Division Engineer, Portland.

Health Officer and School Physician

If the citizens of the Town of Windham will excuse a personal indulgence, I'd like to state that 1965 marks my twenty-fifth year as Health Officer and School Physician of this community. It has been a pleasant part of my practice to work in the school system with the children and their teachers. It has been an important part of my practice to promote the public health and to correct health nuisances and violations of the sanitary code.

As for the duties of school physician—annual physical examinations were carried out on all members of

organized athletic teams.

Physical examinations and consultations were held on all children referred by their teachers or the state nurse.

All pupils sick or injured on school property were given treatment.

Tuberculin testing of first and seventh graders was done in accordance with the State Department of Health Program.

Films and lectures on the dangers of smoking were presented to the High School and Junior High School assemblies.

Back to school slips were issued to children out of school two days or longer.

Well baby clinics were held monthly in Fellowship Hall at the Windham Hill Church. The state nurse and the Windham health council helped the doctor in this worthy effort.

More mothers should bring their children to these clinics as immunizations are obtained at greatly reduced rates.

Speaking of immunizations, I would strongly urge all adults to get smallpox vaccinations and tetanus "shots." These are not exclusively for children as many people believe.

I would like to thank Beverly Allen, R. N., the State Nurse, Mr. Stanley Wright and the members of the Windham Health Council for their help in the past year.

Respectfully submitted,

SIDNEY R. BRANSON, M. D.

Annual Report of Public Health Nurse

Your public health nurse, a member of the staff of the Division of Public Health Nursing, provided public health nursing service in the Town of Windham during 1964.

The public health nurse provided nursing service on

a family-centered basis and worked with allied groups in the planning and implementation of community health programs. In all phases of work, emphasis is placed on the prevention of disease, the promotion of health, and rehabilitation measures.

During this year there were forty-four home visits made to patients and families involving nursing care and rehabilitative nursing. This service included evaluation of the home for adequacy in nursing care, evaluation of rehabilitation prospects, giving nursing service in the home, instructions to the patient and family to insure good nursing care. The nurse works under the direction of a physician.

Public health nursing service in the school included participation in:

1. Arrangements for selective hearing tests.
2. Planning and carrying out of school health examinations.
3. Spring registration of children entering school.
4. Home visits to children with known or suspected health problems.
5. Periodic visits to the school personnel.

Early in the school year conferences were planned with the teachers to discuss teachers' referrals of pupils for school health examinations. Parents are notified and given an opportunity to have a physical examination by a physician of their choice.

The public health nurse participated in the tuberculosis testing program for the pupils in the sub-primary and seventh grades. The Tine test was done on 196 pupils. There were no reactors.

The nurse continues to participate in the child health conference program. Any infant or pre-school child may attend this conference for medical supervision. The following number of children were given physical examinations and were immunized:

Total attendance

119

Physical examinations	33
Smallpox	14
Diphtheria, Whooping Cough, and Tetanus	43
Polio	40

The purpose of the child health conference is the physical examination of the well child. The immunization program in the child health conference is a preventive measure.

The assistance given to the public health nurse by members of the Windham Health Council, town officials, school personnel, and local physicians, is greatly appreciated. Working together, a goal, better health in the community, can be obtained.

Respectfully submitted,

BEVERLY D. ALLEN

Public Health Nurse

Report of Windham Band Boosters' Club

North Windham, Maine

January 18, 1965

To the Citizens of Windham:

We wish to thank the citizens of Windham for the moral and financial support given the Band this past year. We have had an average attendance of thirty-five (35). We have made the following public appearances: The Dedication of the new High School, Westbrook Loyalty Day parade, Maine Dairy parade at Lewiston, Memorial Day parade at Windham, Memorial Day parade at Gorham, American Legion parade at Portland, I.O.O.F. parade at Burlington, Vermont, Pineland Hospital on the fourth of July, Old Home Day parade at Gray, I.O.O.F. Home at Auburn, Windham Old Home Day, Casco Old Home Day, Fryeburg Fair and the Santa Claus parade at Lewiston-Auburn.

We have purchased fifty uniforms.

We are rehearsing at the present time for our third annual Variety Show. We would like to extend an invitation to the elementary grade music students to join the band. Band night does not interfere with school affairs, we feel that school must come first.

We also would like to thank Mr. Wright and the school committee for the use of the music room in the new high school and for their cooperation.

Respectfully submitted,

ELIZABETH B. HARRIMAN

Windham Band President

White Pine Blister Rust Control

The following is a brief statement relative to the blister rust control program in Windham.

Blister rust is a tree disease that kills white pines. Fungus spores, produced on the leaves of currant and gooseberry bushes, infect nearby pines through the needles. Practical control is simple; just remove the currant and gooseberry bushes growing near enough to cause the infection. The cost of doing the work is financed with Town, State and Federal funds.

Control of the disease has been established on about 96% of the pine growing land in Windham. Over 23,000 acres have been worked to protect 11,720 acres of pine. The major problem from now on will be to maintain control on the present area, continue efforts to establish control on 966 acres not yet on maintenance, and to protect new stands as they develop. (About 3,500 acres are now classed as "very low hazard" areas and we feel that no further work or examinations will be needed unless we have some drastic changes in the weather.)

During 1964 we examined over 3,100 acres in Windham. Only 37 acres needed intensive crew work and about 6,800 currant and gooseberry bushes were destroyed. We also remapped nearly 1,000 acres on aerial

photographs. The job cost \$810.71. (Town of Windham, \$404.96; State and Federal agencies, \$405.75 not including the cost of aerial photographs, supplies or other incidentals.)

Work plans for Windham in 1965 consist of giving attention to some 3,100 acres that were last examined during the 1951-55 period. Some of the acreage involved is in the "not yet on maintenance" category. It is expected that State and/or Federal funds will again be used to supplement Town funds on at least a matching basis.

Thanking you for your past cooperation, I am,

Sincerely yours,

MARTIN G. CALDERARA

District Leader,

Blister Rust Control

Report of Building Inspector

To the Citizens of Windham:

This year with the help and understanding of you, the citizens, the Building Code has proved essential in the rapid and prosperous growth of this community.

141 permits have been issued for this year as follows:

53 Homes	valued at \$518,256.84
34 Additions	valued at 22,625.00
13 Garages and Breezeways	valued at 16,015.00
11 Cottages	valued at 24,900.00
6 Business Establishments	valued at 41,950.00
9 Furnaces	valued at 8,940.00
2 Foundations	valued at 2,400.00
13 Storage and Offices	valued at 77,850.00

Total Value	\$712,936.84
-------------	--------------

This year's permits show a sizable increase over previous years.

Respectfully submitted,

HAROLD W. HASKELL

Report of the Superintendent of Schools

To the Superintending School Committee and the Citizens of the Town of Windham:

It is with sincere pleasure that we file our second annual report on the schools of our town.

This has been an outstanding year in the annals of the schools of our town, with the outstanding feature the opening of our new high school to service the people of our community. This was accomplished efficiently and very capably by those responsible for the new high school under the very capable chairmanship of Glendon Gilman. The splendid cooperation of all was remarkable, with all people on committees and citizens of our town working quietly together. This enabled us to complete the school on time and within the budget allotments made by the Town of Windham. It was a pleasure to be a part of all those groups striving to accomplish that which so many communities find difficult to accomplish on time and within appropriation. We wish to take this opportunity to thank all who participated.

The opening of this school, with all the advantages offered our youth, could not have been achieved without the fine work of the principal, Mr. Richard Dunn, and his fine staff of teachers of the Windham High School. Their efforts were, and are, very sincerely appreciated.

We commend to your attention the various tables and statistics which follow. You will find them not only instructive but very interesting. We urge that all school officials please study them over. With the continuation of the present steady growth, without any unforeseen spurts in pupil enrollment, there will be no need for additional facilities. However, you should note that with this steady growth that we now have, we must begin to plan and lay the groundwork for the future demands.

We have been, and are, giving considerable attention to the various phases of curriculum improvement in our schools. We now use our new language laboratory at the high school. We are striving to improve our program at the elementary schools. Home economics has been developed and our music and instrumental programs have been advanced. The new mathematics has been extended in our schools and our pupils graduating from our schools continue to be accepted into the finest schools of advanced study.

We are very much interested in continuing the improvement of our library program in our various elementary and in our secondary schools. Our children must be encouraged both at home and in school to read good books. Children who read seldom have learning difficulties. Independent reading should, and must, be insisted upon by parents and teachers alike.

At the high school increased emphasis continues to be exerted on our mathematics program. However, the same emphasis is being given the program in the elementary schools where the foundations are laid.

During the year, a reorganization of our repairs program took place with a planned program being exerted in our schools. We hope to have this program continued in the years to come so that there will be a normal amount of repairs, good preventive maintenance, being completed each year.

Our budget shows a sizeable increase due partly to a large increase in salaries to teachers. They are now being paid salaries comparable to those paid in neighboring communities. If we are to operate schools, they must be manned by competent teachers. To achieve and hold the latter, we must meet the market—that has been done.

The second reason for the sizeable increase is the opening of the new school in September 1964 with the broadened program. In 1964 it operated for only 5 months. It must operate for the entire year in 1965.

I cannot close this brief report without giving credit to my staff, my capable assistant, Frank H. Harrison, my principals, teachers, custodians, and cafeteria staff. By all working together, much has been accomplished this past year. There still remains much to be completed in the years ahead. Let us continue to strive on to reach new goals of accomplishment together. Again my appreciation to a loyal, hard-working school committee, building committee, and to all those wonderful people of our town.

Respectfully submitted,

STANLEY W. WRIGHT

Superintendent of Schools

ADULT EDUCATION

Classes in Adult Education have continued on Monday evenings for the third year. The fall semester began on October 12th with 108 students in the following courses: Art, Bookkeeping, Crafts, Conversational French, Physical Fitness for Men, Physical Fitness

for Women, Sewing, and Typing.

The special facilities available in the new building allow us to offer physical fitness for both men and women and to provide ideal opportunities for the Art, Sewing, Crafts, and French courses. Registrations for the second semester, which is to begin on January 18th, are not complete as this is being written, but it appears likely that the French and Crafts classes will have to be dropped as there are now less than twelve registrants in each.

We would like to utilize our Math and Science Labs and the Music Room if interest in these areas should develop. Our excellent library would be a natural setting for the Great Books group, and the Building Trades Shop could effectively accommodate a wood-working program. We have, in the past two years, offered courses in Modern Math, Public Speaking, Parliamentary Procedure, Shorthand, Music Appreciation, Photography, Masterpieces of Literature, and Space Science, all of which had to be cancelled due to insufficient interest. We have previously had successful courses in Woodworking, Adult Driver Education, and Drafting, but these have since been dropped for lack of interest.

We can offer any course in which twelve people register on or before the second class meeting. We will continue with our regular courses, for which we have a steady demand, and will offer a few new subjects each term. Suggestions from interested citizens are most welcome.

Respectfully submitted

GEORGE A. RICKER

Director, Adult Education

WINDHAM SCHOOL LUNCH PROGRAM

To Superintendent Stanley W. Wright, Assistant Super-

intendent Frank H. Harrison, and the Superintending School Committee:

It is with great pride that I submit to you my annual report of the Windham School Lunch Program.

From September through November we have served an average of 870, or 56% of the students, per day. As cold weather comes, we always feed more. Our free lunches average around 80 per day.

The new cafeteria and kitchen at the high school is ideal in every way. This is the first time we have had proper refrigeration in our high school, and we are very grateful for this and also for our many pieces of new equipment. I hope we can take care of the needs of the Arlington cafeteria soon.

I wish at this time to say a special "thank you" to Superintendent Stanley W. Wright, and Assistant Superintendent Frank Harrison, also the Superintending School Committee Members and the Building Committee, who gave so many hours of time to get the high school cafeteria completed and ready for the opening of school in September. Appreciation is also expressed to all school lunch personnel, teachers, and janitors for their cooperation.

I feel sure we will all strive to make our Windham School Lunch Program one of the best.

Respectfully submitted,

FLORA B. ALLEN

Supervisor

WINDHAM HIGH SCHOOL ACCREDITATION

Windham High School was placed on the first accreditation list issued by the State Department of Education in 1960. Normally we would be going through the accreditation procedure this year. However, acting under the advice of Dr. Joseph Devitt, Chief of the Bureau of Secondary Education, and Mr. Chester Willette, Secondary Education Supervisor, I was advised

not to attempt it this year due to the increase in work load and adjustment for all of us.

We want you all to understand clearly that there will be a period from July 1965 to approximately the same time in '66 we will not have accreditation status. However, during that period, we will be going through the process, and we are sure we will meet the standards in all areas.

The question naturally arises as to how lack of accreditation affects our students going on to college. We feel that this is no problem. We are and will continue to be accredited by the New England Association of Colleges and Secondary Schools until 1968. A letter of explanation concerning lack of State Accreditation for the one year period should accompany transcripts. Such an explanation, we feel sure, will be accepted and understood by colleges to which students apply.

Respectfully submitted,

RICHARD DUNN

Principal

REPORT OF THE HIGH SCHOOL BUILDING COMMITTEE

We are pleased to submit this report of the building committee. Our work is nearly finished, the school having been opened last fall on schedule.

The school has received many compliments from people throughout New England. We feel it is a fine school and should last the town for many years.

Originally it was decided not to complete the kitchen and Home Economics area. However, by careful planning and continually meeting with suppliers, we were able to complete the whole building and still stay within our budget. The final completed cost is \$11.75 per square foot. The same building today would command a price close to \$14.00 per square foot.

A complete recording of our fuel costs indicates that

the school is being heated for \$9.00 per day or around \$.38 an hour during the winter months. We feel this to be an exceptionally low figure for heating 72,000 square feet of space.

Financial data furnished by the Maine School Building Authority on Feb. 8, 1965, brings out the following facts:

Receipts

Bond Issue	\$1,150,000.00	
Town Funds	19,304.31	
Earned Interest	30,806.13	
Premium	14,375.00	
		<hr/>
Received		\$1,214,485.44
N. D. E. A. Equipment Funds		13,433.97
90% Federal Government towards cost of sewerage plant		6,900.00
		<hr/>
Total Receipts		\$1,234,819.41

Expenditures

Expended to date	\$1,057,169.85	
Final Commitments	96,271.26	
		<hr/>
Total Expenditures		\$1,153,441.11
Receipts	\$1,234,819.41	
Expenditures	1,153,441.11	
		<hr/>
Total Unexpended		\$81,378.30
Original cost estimate of completed and equipped school		\$1,150,000.00
Actual cost to town of completed and equipped school, including all extras		\$1,087,926.01
Total Expenditures	\$1,153,441.11	
Less:		
Earned Interest	30,806.13	
Premium	14,375.00	

N. D. E. A. Equipment	
Funds	13,433.97
Fed. Govt. (sewerage plant)	6,900.00

Actual Cost to Town \$1,087,926.01

The building committee has asked that the \$20,333.97 received from N. D. E. A. and the sewerage plant refund be applied to reduce this year's bond payment. Normally this money would go to the school account, but we believe the taxpayers would feel the direct effect of it being used to help lessen the tax burden this year.

The balance will be reinvested by the school building authority and the interest received from this investment will be used to make the final bond payments.

Once again, we express our appreciation to all members of the committee and all other citizens who gave so freely of their time in making this building an outstanding one.

GLEN GILMAN

Chairman, High School
Building Committee

PRESENT AND PAST ENROLLMENTS

Table 2 shows the enrollment in Windham public schools by grade for the past five years.

Table 2
Enrollment in Public Schools
Windham, Maine
1960-61 Through 1964-65

Year	K	1	2	3	4	5	6	7	8	9	10	11	12	1-12
1960-61	104	110	92	90	82	92	91	107	118	82	73	69	65	1,177
1961-62	126	115	114	99	96	84	100	93	115	114	87	73	67	1,284
1962-63	113	125	111	117	105	105	84	106	96	104	115	75	58	1,314
1963-64	137	123	127	122	119	110	115	88	104	93	96	104	84	1,422
1964-65	127	146	124	126	122	210	118	117	90	106	99	94	103	1,492

MIGRATION ENROLLMENT GROWTH

Table 3 shows the enrollment growth caused by migration into the community.

Table 3
Enrollment Migration Growth
Windham, Maine
1960-61 — 1964-65

Year	K	1	2	3	4	5	6	7	8	9	10	11	12
1960-61	?	1	7	4	2	4	8	10	7	-2	-4	-1	-4
1961-62	?	11	4	7	6	2	8	2	8	-4	+5	0	-2
1962-63	?	-2	-4	+3	6	9	0	6	+3	-11	+1	-12	-15

Table 3A
Projected Enrollments by Grades
Windham, Maine
1964-1965 Through 1969-70

Year	K	1	2	3	4	5	6	7	8	Total	9	10	11	12	Tui. Stud.	Grand Total
Migrating Factor	+24	+5	+4	+5	+4	+4	+5	+5	+4	(1-8)	-4	-3	-4	-4		
1964-65	127	146	124	126	122	120	118	117	90	1,090	106	99	94	103	58	1,550
1965-66	114	132	150	129	130	126	125	123	121	1,150	86	103	95	90	51	1,575
1966-67	133	119	136	155	133	134	131	130	127	1,198	117	83	99	91	42	1,630
1967-68	139	138	123	141	159	137	139	136	134	1,246	123	114	79	95	42	1,699
1968-69	129	144	142	128	133	163	142	144	140	1,276	130	120	110	75	56	1,767
1969-70	125	130	148	147	132	148	168	147	148	1,293	136	127	116	106	64	1,842

Table 3 indicates that there is migration occurring in our community. The greater numbers of children born during the past ten years, plus this migration will continue to be reflected in the growth in enrollments that has been taking place. The figures relating to grades 9-12 are somewhat irrational due to the "new" high school.

Table 6

**Estimates of Enrollments by Grade Groupings
Windham, Maine**

Year	K-3	4-6	7-8	9-12 Tui. Stud.	Total
1964-65	523	360	207	460	1,550
1965-66	525	381	244	425	1,575
1966-67	543	398	257	432	1,630
1967-68	541	435	270	453	1,699
1968-69	543	449	284	491	1,767
1969-70	550	448	295	549	1,842

Based on present trends in enrollments and growth

Auditor's Report

To the Board of Selectmen of the
Town of Windham, Maine

We have examined the balance sheet of the Town of Windham, Maine, as of January 31, 1964, and the statements of operations and unappropriated surplus of the general fund for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of operations and unappropriated surplus present fairly the financial position of the various funds of the Town of Windham, Maine, at January 31, 1964,

and the results of operations of the general fund for the year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

ERNST & ERNST

Portland, Maine
April 10, 1964

From excise taxes

\$532,580.79

Net unexpended balances transferred to unappropriated surplus

Unexpended appropriation balances continuing as per balance sheet

OTHER FINANCIAL INFORMATION

COMMENTS

Town of Windham, Maine

The audited financial statements of the Town and our report thereon have been presented in the preceding section. We reported on the financial statements of the previous year under date of May 6, 1963. The financial information presented hereinafter and in the following comments was derived from accounting records tested by us as part of the auditing procedures followed in our examinations of the aforementioned financial statements, and in our opinion it is fairly presented in all material respects in relation to the financial statements taken as a whole; however, it is not necessary for a fair presentation of the financial position and results of operations of the Town.

Comments with respect to the financial statements and scope of our examination follow:

General Fund

The cash balance, as reported directly to us by the depository bank, was reconciled to the amount shown by the records at January 31, 1964. The change fund was counted and reconciled to the imprest amount.

Uncollected taxes and other receivables at January 31, 1964, were supported by detailed listings. We corresponded with selected debtors, requesting that we be notified directly if the balances as shown by the Town's records did not agree with their records. No differences were reported to us. We made analyses of changes in taxes receivable during the year and examined documents and accounting records in support thereof. Tax deeds and tax liens were examined on a test basis.

Revenue receipts as shown by the subsidiary records of the Town Clerk and Treasurer-Tax Collector were reviewed and totals thereof were traced, on a test basis, to

entries in the general records of the Town. We also obtained directly from various State of Maine agencies statements of amounts paid to the Town during the year and traced these reported amounts to the records.

Invoices, vouchers, cancelled checks, and other data were examined on a test basis to substantiate recorded expenditures. We made tests of the pay roll by reference to contracts and documents for authorized pay roll deductions and tested the computations of gross and net amounts of individual earnings.

Debt Fund

There were no notes outstanding at January 31, 1964. Cancelled notes were examined in support of principal payments during the year. Computations of interest payments were tested and the amounts thereof were traced to the appropriation account records.

Changes in the municipal debt of the Town for the year are summarized as follows:

Notes payable at February 1, 1963	\$25,000.00
Less payment	25,000.00

Notes payable at January 31, 1964 \$ -0-

Trust Funds

A schedule summarizing the Trust Funds and changes therein during the year is included hereinafter.

Cash balances as shown by the Town records at January 31, 1964, were reconciled to amounts confirmed directly by the depository banks. Interest income for the year was tested and traced to the records. Savings pass-books on all trusts were examined.

Capital Reserve Fund

The cash balance at January 31, 1964, was confirmed directly to us by the depository bank.

Other

Construction of a new high school is being financed by

the Maine School Building Authority by issuance of their revenue bonds in the amount of \$1,150,000.00 plus, if necessary, an additional issuance of up to \$115,000.00.

Payment by the Town for this new school is to be in 20 annual payments, beginning after completion of construction during 1964, as follows:

- (a) 5% of the total amount of bonds issued by the authority in connection with this project,
- (b) Amount equal to the interest payable on the bonds in the succeeding calendar year.
- (c) Authority administrative expenses which are not to exceed $\frac{1}{4}$ of 1% of the total amount of bonds issued in connection with this project,
- (d) premiums on insurance carried in connection with this project.

Each annual rental amount shall be deemed to constitute a debt of the Town from the time rental becomes due and payable. Payments are to be made prior to December 1 in each year the Authority notifies the Town of the amount payable.

Included hereinafter are the following schedules as required by the laws of Maine—1957, chapter 405, section 26:

- Comparative balance sheets
- Detail statement of departmental operations
- Statement of cash receipts and disbursements
- Cash bank reconciliation
- Statement of property valuation, assessment,
and collection of taxes

Recommendation

We recommend that all monies deposited be reconciled to Treasurer's receipts for the period covered by the deposit.

Acknowledgment

We express our appreciation for the courtesy and co-operation extended to us by the various officials and

employees of the Town during the course of our examination.

Cumberland, ss.

To Herbert P. Jorgensen, Constable, Town of Windham, in said County, GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the town of Windham in said County, qualified by law to vote in town affairs to meet at the old High School Hall in said town on Friday, the nineteenth day of March, A. D. 1965, at 9:30 o'clock in the forenoon, then and there to act on Articles numbered 1 and 2;

And to notify and warn said voters to meet at the new High School Hall in said town, on Saturday the twentieth day of March A. D., 1965 at one o'clock in the afternoon, then and there to act on the several remaining articles in the warrant; all of said articles being set out below, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To elect all necessary town officers by secret ballot. The polls for voting on Article 2 will be open at ten o'clock in the forenoon and will close at seven o'clock in the afternoon.

Art. 3. To see what sum of money the town will vote to raise and appropriate to pay for general government.

The Budget Committee recommends \$28,000.00.

Art. 4. To see what wages the town will vote to pay for the following labor on town roads: common labor

and truck drivers, shovel, grader, bulldozer and loader operators.

The Budget Committee recommends labor and truck drivers \$1.50 per hour, machine operators \$1.90 per hour.

Art. 5. To see what wages the town will vote to pay the Road Commissioner.

The Budget Committee recommends \$5,000.00 per year.

Art. 6. To see what wages the town will vote to pay Town Officers.

The Budget Committee recommends Selectmen \$2.00 per hour. Treasurer, Collector and Clerk \$4,500.00 per year.

Art. 7. To see what sum of money the town will vote to raise and appropriate for repair and upkeep of town roads.

The Budget Committee recommends \$8,000.00.

Art. 8. To see what sum of money the town will vote to raise and appropriate for permanent improvement of town roads.

The Budget Committee recommends \$15,000.00.

Art. 9. To see what sum of money the town will vote to raise and appropriate for snow removal and ice control on town roads.

The Budget Committee recommends \$25,000.00.

Art. 10. To see what sum of money the town will vote to raise and appropriate for repair of bridges and culverts on town roads.

The Budget Committee recommends \$3,500.00.

Art. 11. To see what sum of money the town will

vote to raise and appropriate to pay the town's share of the cost of snow removal on State Highways 202 and 302.

The Budget Committee recommends \$695.20.

Art. 12. To see what sum of money the town will vote to raise and appropriate for tarring town roads.

The Budget Committee recommends \$15,000.00.

Art. 13. To see what sum of money the town will vote to raise and appropriate for State Aid Road Construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 44, 49 or 50, Chapter 23, Revised Statutes of 1954 as amended.

The Budget Committee recommends \$3,198.00.

Art. 14. To see what sum of money the town will vote to raise and appropriate for cutting bushes on town roads.

The Budget Committee recommends \$2,000.00.

Art. 15. To see what sum of money the town will vote to raise and appropriate for the construction and maintenance of school roads, parking and play areas.

The Budget Committee recommends \$2,500.00.

Art. 16. To see what sum of money the town will vote to raise and appropriate for snow removal on private roads.

The Budget Committee recommends \$3,800.00.

Art. 17. To see what sum of money the town will vote to raise and appropriate for contingent expenses.

The Budget Committee recommends \$1,000.00.

Art. 37. To see if the town will vote to raise and appropriate the sum of three hundred dollars (\$300.00) to cooperate with the Maine Forest Service and Federal Government in the control of white pine blister rust, in accordance with Revised Statutes of 1954, Chapter 36, Section 69.

The Budget Committee recommends \$300.00.

Art. 38. To see what sum of money the town will vote to raise and appropriate to pay the town's share of the cost of Social Security.

The Budget Committee recommends \$4,500.00.

Art. 39. To see what sum of money the town will vote to raise and appropriate to pay for Workmen's

Compensation Insurance.

The Budget Committee recommends \$1,800.00.

Art. 40. To see if the town will vote to fix a date when all poll and personal property taxes shall be due and payable.

The Budget Committee recommends October 1.

Art. 41. To see if the town will vote to fix a date when all real estate taxes shall be due and payable.

The Budget Committee recommends November 1.

Art. 42. To see if the town will vote to fix a rate of interest to be charged on all taxes remaining unpaid after due date.

The Budget Committee recommends 4% per annum.

Art. 43. To see if the town will vote to raise and appropriate the sum of nine hundred dollars (\$900.00) for public health nursing in Windham, said sum to be expended by the Maine Department of Health and Welfare, Bureau of Health, for local service.

The Budget Committee recommends \$900.00.

Art. 44. To see if the town will vote to authorize the Selectmen, in behalf of the inhabitants of the town, to sell and dispose of any real estate acquired by the town for non-payment of taxes thereon, on such terms as they may deem advisable, and to execute quitclaim deeds for such property.

The Budget Committee so recommends.

Art. 45. To see if the town will vote to accept as a trust fund from Henry M. Carll the sum of fifty dollars, the income therefrom to be used for the perpetual care of his lot in the Dolley Cemetery.

The Budget Committee so recommends.

Art. 46. To see if the town will vote to accept from Fred W. Ryall, as a trust fund, the sum of one hundred dollars, the income therefrom to be used for the perpetual care of his lot in the Smith Cemetery.

The Budget Committee so recommends.

Art. 47. To see what sum of money the town will vote to raise and appropriate for police protection.

The Budget Committee recommends \$1,000.00.

Art. 48. To see what sum of money the town will vote to raise and appropriate for the support of the Windham Band.

The Budget Committee recommends \$500.00.

Art. 49. To see what sum of money the town will vote to raise and appropriate for the administration of the Building Code.

The Budget Committee recommends \$200.00.

Art. 50. To see if the town will vote to authorize the Selectmen to transfer from surplus an amount not to exceed the sum of five hundred dollars for abatements.

The Budget Committee so recommends.

Art. 51. To see what sum of money the town will vote to raise and appropriate for municipal planning.

The Budget Committee recommends \$500.00.

Art. 52. To see if the town will vote to raise and appropriate the sum of four hundred dollars (\$400.00) for the support and maintenance of the Area Development Council of the Greater Portland Chamber of Commerce to promote the industrial development of the town and of the Greater Portland area.

The Budget Committee recommends \$400.00.

Art. 53. To see if the town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the support and maintenance of the Greater Portland Planning Commission.

The Budget Committee recommends \$500.00.

Art. 54. To see if the town will vote to authorize the Selectmen, in behalf of the Inhabitants of the Town of Windham, to convey to Portland Water District an easement to cross a section of the Arlington school grounds with a buried cable and to execute and deliver a suitable deed for same.

The Budget Committee so recommends.

Art. 55. To see what sum of money the town will vote to raise and appropriate for repairs to the Sumner Varney bridge over Pleasant River on the William Knight road.

The Budget Committee recommends \$6,000.00.

Art. 56. To see if the town will vote to authorize the Selectmen to install five street lights at Brookhaven and to raise and appropriate the sum of one hundred forty-six dollars (\$146.00) to pay for same. (By request)

The Budget Committee recommends \$146.00.

Art. 57. To see if the town will vote to keep the Newhall school closed for another year and to allow it to continue under the jurisdiction of the school committee.

The Budget Committee so recommends.

Art. 58. To see what sum of money the town will vote to raise and appropriate for the following school purposes:

- (a) Administration
- (b) General maintenance

- (c) School insurance
- (d) Hot lunches in schools

The Budget Committee recommends \$369,967.91.

Art. 59. To see what sum of money the town will vote to raise and appropriate for school repairs and the purchase of new equipment.

The Budget Committee recommends \$20,640.00.

Art. 60. To see what sum of money the town will vote to raise and appropriate for vocational education in the schools.

The Budget Committee recommends \$3,260.89.

Art. 61. To see if the town will vote to raise and appropriate the sum of seventy-seven thousand two hundred seventy-four dollars and three cents (\$77,274.03) to be paid to the Maine School Building Authority in accordance with the terms of the lease agreement approved by the town in 1963 for the construction of a new high school and to authorize the Selectmen to apply the sum of twenty-one thousand one hundred forty-nine dollars and ninety-seven cents (\$21,149.97) the credit balance in the new high school account on the payment due in 1965. The 1965 installment is as follows:

Principal	\$57,500.00
Interest	40,374.00
Insurance	550.00

\$98,424.00

The Budget Committee recommends \$77,274.03.

Art. 62. To see if the town will vote to accept the Marie Howe fund in the amount of one hundred sixty-seven dollars and thirty-four cents (\$167.34) to be added to the Capital Reserve fund for a town library.

The Budget Committee has no recommendation.

Art. 63. To see if the town will vote to change the name of the road leading from State Highway No. 302 to the residence of Walter Pulkkinen from Ma Smith Road to Lowell Road. (By request)

The Budget Committee so recommends.

Art. 64. To see if the town will vote to authorize the Selectmen to install one street light on the River Road near the residence of Eugene Tanguay and to raise and appropriate the sum of twenty-nine dollars and twenty cents (\$29.20) to pay for same.

The Budget Committee does not recommend.

Art. 65. To see if the town will vote to authorize the Selectmen to appoint a Windham Industrial Development Commission consisting of five members, one of whom shall be a member of the Planning Board, for the purpose of promoting industrial and commercial enterprise in the town.

The Budget Committee so recommends.

Art. 66. To see what sum of money the town will vote to raise and appropriate for support of the Windham Industrial Development Commission.

The Budget Committee recommends \$200.00.

Art. 67. To see if the town will hear the reports it requested at the 1964 annual town meeting concerning:

- (a) Possible forms of municipal government.
- (b) New library.
- (c) Street lights.
- (d) Improvement of Route 302, North Windham.

The Budget Committee so recommends.

Art. 68. To see if the town will vote to accept the sum of ninety-five dollars and ten cents (\$95.10) from

the Knight Cemetery Association, said sum to be used for general cemetery maintenance.

The Budget Committee so recommends.

Art. 69. To see if the town will vote to authorize the Selectmen to spend the Capital Reserve fund created for the purchase of Fire Department equipment, for the purpose of building a tank truck for North Windham fire station.

The Budget Committee has no recommendation.

Art. 70. To see what sum of money the town will vote to raise and appropriate to create a Capital Reserve fund for the construction and equipping of a new fire station at South Windham.

The Budget Committee recommends \$20,000.00.

Art. 71. To see if the town will vote to authorize the Selectmen to establish a police force in the town.

The Budget Committee does not recommend.

Art. 72. To see what sum of money the town will vote to raise and appropriate to equip and support the police force.

The Budget Committee does not recommend.

Art. 73. To see what sum of money the town will vote to raise and appropriate for obtaining preliminary plans and cost estimates for a new fire station at South Windham.

The Budget Committee recommends \$2,000.00 and the appointment of a committee to study.

Art. 74. To see if the town will vote to authorize the Selectmen to make effective the following street lighting program: Mercury 3500 lumen lights to be installed at the following danger locations—two lights Windham Center Route 202 east and Falmouth Road.

Seven lights Route 302 from post office to shopping center. One light corner River Road and Route 202. One light Falmouth Road in front of fire station. One 21,000 lumen mercury light intersection Routes 35 and 302 with old light removed for credit. The preceding old lights then moved to the following locations; corner Page Road and River Road; corner of Park Road and River Road; Highland Cliff Road turn pole 601; corner Montgomery Road and Highland Cliff Road; Highland Cliff Road on turn, pole No. 97; corner Cobb Road and Chute Road, pole No. J91; corner Chute Road and Webb Road; corner school road and Route 202; corner Nash Road and Falmouth Road; corner Albion Road and Falmouth Road; corner Falmouth Road and Varney Mill Road, and to raise and appropriate the sum of five hundred seventy-one dollars and twenty cents (\$571.20) to pay for same.

The Budget Committee recommends \$476.00.

The Registrar of Voters will be at his office from nine o'clock A. M. until twelve o'clock A. M. and from one o'clock P. M. until five o'clock P. M. on March 15, 16 and 17, 1965 and from seven o'clock P. M. until nine o'clock P. M. on March 17, 1965 to accept registrations and revise the list of voters.

Given under our hands this eleventh day of March, A. D. 1965.

HARRY F. ADAMS
LAWRENCE R. ALLEN
THOMAS P. BRUNS
Selectmen of Windham
